Behind Communism:

Behind Communism Frank L. Britton, 2012 **The Lost World of Communism** Peter Molloy, 2009-10-13 1989 was a year of revolution it marked the collapse of communism in Eastern and Central Europe and an end to an entire way of life for millions of people behind the Iron Curtain Beginning in Hungary the retreat from communism picked up speed over the summer when the Poles won an overwhelming victory in free elections over their pro Soviet rulers In the fall East Germany and Czechoslovakia achieved freedom with surprisingly little violence Only Romania at the end of the year witnessed a savage battle in the capital and the summary execution of the most notorious of Eastern Europe's dictators Nicolae Ceausescu In *The Lost World of Communism* Peter Molloy producer of the accompanying BBC series collects first hand testimony of the people who lived in East Germany Czechoslovakia and Romania during the Cold War era and reveals an astonishingly rich tapestry of experience that goes beyond the headlines of spies and surveillance secret police and political corruption in fact many of the people remember their lives under communism as perfectly ordinary and even hanker for the security that it offered From international figures like Vaclav Havel and Lech Walesa via the shadowy figures of Eastern Europe's intelligence and security services to its ordinary citizens the voices collected on Peter Molloy's book evoke the moods preoccupations and experiences of a world of that vanished almost overnight **Behind Communism** Frank L. Britton, Lawrence Patterson, 1998 **Behind Communism 1917-2010** Frank L. Britton, 2017-08-09 Fully revised expanded and updated from the original 1952 book this work clearly shows that Communism grew out of Russian Judaism Although the Soviet Union has disappeared the ideology which underpinned that state state engineered economic and social egalitarianism lives on and is stronger than ever before in the West Now completely updated to include post war Communist movements in eastern Europe Britain America South Africa and China this book is the most detailed record yet of the leading Jewish role in Communism The conclusion discusses the reasons for Jewish extremist behavior based on an understanding of group evolutionary psychology Cover image Nelson Mandela and the head of the South African Communist Party the Lithuanian Jew Joe Slovo 1990 *Encyclopedia of Fundamentalism: Volume 3 of Religion & Society* Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the

Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
