Behold The Beyond

Alexander Graf von Hübner

Behold The Beyond:

The Crescendo: Thriving in Intense, Stormy and Dark Times Riaan Engelbrecht, 2023-02-22 The noun of this word crescendo speaks of the loudest point reached in a gradually increasing sound It also speaks of the highest point reached in a progressive increase of intensity The verb speaks of an increase in loudness or intensity such as the reluctant cheers began to crescendo We are in a spiritual season that is reaching such a crescendo Several years ago the Lord first spoke about how we are heading into a season therefore a period of time not determined in length during which things will get very intense It means that as we consider the word crescendo we are right now in a time where the hostility against God is reaching a very intense stage and such intensity has progressively increased over the years It will be a season of great spiritual warfare where many people will struggle to remain standing So intense is the hostility and the onslaught that many believers will actually fall away if they are not found to be settled upon the Rock of Jesus It is a time of quickening what the Lord is doing but also a time of a quickening regarding the devil s work In such stormy and intense times we need to learn how to thrive still make an impact for Christ and fulfil the Great commission This is a collection of prophetic insights and spontaneous prophetic utterances to unveil the scope magnitude and ramification of the Crescendo season Come, Holy Spirit Karl Barth, Eduard Thurneysen, 2010-02-01 These sermons were prepared from 1920 to 1924 Professor Barth preached some of them while he was minister of the Reformed congregation in Safenwil Canton Aargau Switzerland others in the Reformed Church in Goettingen while he was professor of theology in the University Pastor Thurneysen at that time preached to the congregation in Bruggen near St Gall Switzerland The sermons were written not for special occasions but for the regular Sunday morning service and were addressed to such men and women as one will find in any village or city church to men and women in the struggle for life waiting and seeking for God Pastor Thurneysen selected the sermons and arranged them according to a scheme that may be indicated by the words Promise Christ Christian Living from the Translator s Preface

Radical, Relentless and Tough Riaan Engelbrecht, 2024-02-20 If we look at the life of Moses we find numerous spiritual lessons that will benefit any disciple of Jesus Is his life important Most assuredly as this volume of work explores He was a murderer yet God used him mightily He was almost killed as an infant yet survived to do great things for God leading a life of worth and value for 120 years He survived the harshness of two wilderness journeys totalling 80 years and rightly takes his place even though human as one of the great heroes of the Bible Moses as a prophet played a vital role in pointing towards the life and the ministry of Jesus Moses is of great importance in the Bible for he is recognised as a deliverer Exodus 3 7 10 covenant mediator Exodus 34 27 priest Psalm 99 6 and ruler Exodus 2 13 14 Acts 7 27 Moses s larger than life status as prophet was designed by God as a template from which all other prophets would be measured Enjoy this journey as covered in volumes one and two to know more about Moses and how we can spiritually grow on our journey with God A Life of Vision Riaan Engelbrecht, 2023-01-27 At the moment of spiritual surrender unto God visibility of physical sight and

senses surrenders unto eternal and everlasting spiritual vision for unto that moment the eyes of faith open and the sight of flesh ceases in perception and knowledge and understanding By that spiritual awakening and rebirth of vision as we yield to the powerful and glorious work of the Holy Spirit our journey unto the spiritual begins as we discover the true meaning of deep crying out the deep As we abandon ourselves to God we connect to divinity and so our reality world and senses are flooded by His sweet and majestic touch and glory *Hope Beyond Perplexity* Johanna D.S. Chittranjan,2023-10-17 In the enchanting pages of *Hope beyond Perplexity* Johanna Devadayavu the acclaimed author of *Call of the Turtledove for Universal Peace* and *Flight of a Turtledove* invites readers on a transcendent journey With a heart dedicated to peace and a soul steeped in contemplation Johanna weaves profound wisdom and serene beauty into her verses Her words born from years of peaceful introspection and meditative practice resonate with a divine authenticity Through delicate and elegant prose she beckons us to join her flight soaring far beyond the confines of ordinary existence In this exquisite volume Johanna's poems are scented with temple incense and echo softly murmured prayers enveloping readers in the hallowed gleam of her contemplative world With grace and spiritual depth she addresses the challenges of our time including the passing pestilence of COVID offering keen spiritual insights and lessons As you delve into the pages of *Hope beyond Perplexity* you will feel the gentle winds that caressed Johanna's face and sense the aroma of her contemplative prayers This poetic banquet sweetened by the peace she cultivates invites you to drink deep from the well of a life profoundly enriched and blessed by contemplation Join her in this exquisite feast and let the sweetness of her words nourish your soul and illuminate your spirit *Hope beyond Perplexity* is not just a book it is a work of joy a charming masterpiece that Johanna Devadayavu has graciously shared with the world Drink deep dear reader and savor the boundless depths of hope peace and spiritual grace contained within these pages

Guarding the Gates Riaan Engelbrecht,2023-01-19 There is a clear and intentional onslaught against the spiritual gates This has been revealed by the Lord This is not an attack for the now but an attack that has always existed This is an attack that is escalating intensifying and becoming more vicious than ever before It is an attack to lead people away from God thus an attack of the destruction of the person And we are talking here about the gate entry point of nations of cities of homes of families and our very lives A gate is a strategic point It is a point of legally controlling what goes in and goes out of the city The enemy is laying siege to gain entry for once he has entered through the gate he comes to steal to destroy and to kill For the Lord has shown the enemy has come like an assassin like a thief and as a destroyer **God's Voice** Riaan Engelbrecht,2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an

incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen
