## **Beefy Jones:**

*Beefy Jones* Eric Malpass, 2001 Beefy Jones is a lovable rogue who lives with a gang of petty criminals in the disused loft of a church hall The Vicar is blissfully unaware of this Returning home early one evening Beefy overhears a discussion concerning the demolition of the hall The gang embarks on a series of adventures with one aim in mind to sabotage the plans

**Beefy Jones** Eric Lawson Malpass, 1957 [John Brown: Confessions of a New Army Cadet](#) R. W. Campbell, 2022-06-02 In *John Brown Confessions of a New Army Cadet* R W Campbell delivers a poignant and personal narrative through the journal entries of John Brown a character whose experiences reveal the intrinsic realities of military academy life The prose rich with authenticity captures the oscillation between the pride and pressures of becoming a soldier Campbell s narrative style manages to weave these confessional vignettes into a cohesive testament of adolescence against the backdrop of rigor and tradition Set within the context of American military education the text offers a reflective and often raw examination of the journey from civilian to disciplined cadet R W Campbell a man of many talents including screenwriting and acting employs his literary skills to delve into the psychological and emotional terrains that shape a cadet s formative years Having had close ties with the military milieu Campbell s insights are carved out of genuine encounters and a deep understanding of the military ethos His narrative is both a mirror to the institutionalized self and a window into the soul of a young man grappling with new found realities This profound exploration transcends mere storytelling thrusting the reader into the nucleus of transformation where personal confession aligns with a collective ethos *John Brown Confessions of a New Army Cadet* stands as a crucial read not just for those interested in military literature but for any reader who appreciates a voyage into the heart of human development within a structured environment Campbell s voice channels a resonating clarity appropriating the book as a remarkable compass for both potential cadets and laymen intrigued by the shaping of character under the aegis of military tutelage *John Brown* Captain R. W. Campbell , 2014-12-25 Example in this ebook CHAPTER I THE CADET SCHOOL No doubt you have seen in the highways and byways a lot of youths in khaki with white bands round their caps These boys are called cadets and are usually men home from the front to train for commissions In Sandhurst they are officially styled gentlemen cadets but apparently we are not supposed to be gentlemen we re just cadets Funny isn t it But that s the way of the army Well my name is John Brown a very ordinary name and I m one of those fellows Before the war I evaded toil by becoming a student and spent a lot of time on ologies and osophies Now I m learning to be a pukka officer and the leader of sixty men to the cannon s mouth When I left my battalion for the cadet school I shed no tears They were in the trenches or rather in the mud And it cost a pair of brand new boots to get on to the road However I survived and in due time landed at Windmoor This is a blasted heath swept by the winds and isolated from picture shows barmaids and revues not a petticoat in sight and at every corner a notice which amounts to England expects that every cadet this day will do his duty This is no Utopia I muttered falling into the first hut by the way Ye gods There was an old colonel with eyes like a hawk

and cheeks like dumplings and what do you think he was doing Cutting his corns What the why the who the devil are you sah John Brown sir I said meekly for never in my life had I seen such a perfect relic of the Napoleonic wars Get to blazes out of this John Brown he roared putting his fat feet on the floor and banging the door I was again alone on the blasted heath The old gent inside was Colonel Eat All the commandant Rumour says he devoured two dervishes at Omdurman I stumbled on once more and found the orderly room This way said Sergeant Major Kneesup introducing me to the adjutant I clicked my heels in the style of a Guardsman and saluted like a railway signal Well said a blas looking gent with three pips looking up at me from his papers John Brown sir Who sent you here The War Office Umph I know nothing about you You had better go back to your regiment for your papers But I can t go all the way to France sir Well no perhaps not Wait a minute he said ringing a bell A clerk answered Have you any papers dealing with Cadet John Brown Yes sir Came a fortnight ago Thank you That s all The clerk went out Oh it s all right Brown Just go over to No 1 Company You ll see Sergeant Major Smartem there He ll fix you up Good luck he concluded with a genial smile I saluted and went out marvelling at the methods of the British Army I dug out the sergeant major and again announced that I was John Brown That s a fine name to go to bed with It s the one my mother gave me Oh well you can t help it Here s your blankets there s your bed You ll get your equipment to morrow Shove this white band on your cap Tea s at five o clock The lavatory s down there That s the canteen over yonder And when you want writing paper hymns or free salvation there s a Y M C A down the road Now push off John Brown I was extremely grateful for all this information in tabloid form but I had a lurking suspicion that my name was going to be a subject of rude jest However I am an optimist I pitched my bag into a corner of the hut pulled out a little book called *The Pleasures of Hope* and commenced to read till tea time But I was disturbed Cadet after cadet came filing in They were all new and rather green except one man called Beefy Jones What a ruddy place for a cadet school he roared My dear chap it is designed to protect our morality muttered a spectacled youth who looked like and proved to be an ex parson To be continue in this ebook
