James Alexander, 2012-02-22 Marcus was born broken and abandoned haunted by visions and marked by powers he never asked for Now Earth is collapsing A mind warping virus spreads Alien overlords tighten their grip And the secret buried in Marcus's blood may be humanity's last chance or its final undoing He's not a hero He's a conduit And what flows through him could save us or destroy everything Conduit: The Beginning is a dark sci fi thriller of alien legacy psychological unraveling and survival at any cost Book One in the Conduit series **Path of Pieces** Russell Hunter, 2008-03 In this poem book you will see the pieces of my life I like to call it the puzzle I remember on that cold wintry day when I gazed at myself in the mirror I seen the cracks and the lines that all came together to create who I am and who I've become One by one I started to put the pieces back together by filling the gaps that have left me feeling lost I want for you and me for us all to see that it is never too late to believe No matter what we have endured we can overcome any obstacle and continue to smile in the face of adversity Although many pieces of my life are broken beyond repair I still care enough to write what I feel From all the devastations to all the beautiful creations you will find a life filled with dream catchers and twisted trees all these emotions that make up me Open the cover and you will see you can find you and you will find me The New Way, 1918
