

Behind Barbed Wire

Deborah G. Lindsay

Behind Barbed Wire:

Behind Barbed Wire Daniel S. Davis,1982 Discusses the forced internment of Japanese Americans in camps following the attack on Pearl Harbor their way of life there and their eventual assimilation into society following the war Behind Barbed Wire Milton A. Bailey,Susan Bailey,Kathryn Olmstead,2005 , *Beauty Behind Barbed Wire* Allen Hendershott Eaton,1952 The Universe of Risk is an easy read guide to managing risk and corporate survival with illuminating insights from top managers **Behind Barbed Wire and High Fences** Helen Frances Buehl Angeny,1994* **Behind Barbed Wire** Anita Buck,1998 More than fifteen POW camps housing German captives existed in Minnesota during World War II This is the history of those camps where they were how they worked and how the POW s contributed to Minnesota economy and how and when they ended **Behind Barbed Wire** Deborah G. Lindsay,2020 Most people associate concentration camps with Nazi Germany Behind Barbed Wire examines how these notorious World War II camps actually reflected a previous use of the system a system that began almost a century earlier In truth Adolf Hitler had studied the American Indian Reservations as he plotted his regime s attack on European Jews and other minorities Remarkably in the years between the reservations and the Nazi camps the United States along with several other Western powers implemented concentration camps throughout the globe each instance employing more and more barbaric measures with harsher and harsher outcomes Behind Barbed Wire explains how these nations dubiously justified camp operations by citing military counterinsurgency tactics containment policies and simply the ability to prosecute war more easily This brief history addresses the subliminal reasons for relocating hundreds of thousands of civilians why the system became so prevalent and how concentration camps existed under the cover of armed conflict It argues that most often camps can be facilitated only under the guise of war Anyone with an interest in military history World War II concentration camps and the plight of the Jews will discover how all these topics converge into a compelling story of war bigotry and military might Behind Barbed Wire also sheds light on the concentration camp systems that have been employed since the fall of the Nazi dictatorship With current geopolitical issues focusing on elitism xenophobia deplorables terrorism and military necessity this book offers some understanding about the unintended consequences of policy **Behind Barbed Wire** Curtis S. Church,1992 **Spanish Culture Behind Barbed Wire** Francie Cate-Arries,2004 By the end of the Spanish Civil War in March of 1939 almost 500 000 Spaniards had fled Francisco Franco s newly established military dictatorship More than 275 000 refugees in France were immediately interned in hastily constructed concentration camps most of which were located along the open shorelines of France s southernmost beaches This book chronicles the cultural memory of this war refugee population whose stories as camp inmates in the early 1940s remain largely unknown unlike the wide dissemination of the literature and testimony of the survivors of Nazi death camps The hidden history of France s seaside camps for Spanish Republicans spawned a rich legacy of cultural works that dramatically demonstrate how a displaced political community began to reconstitute itself from the ruins of war literally from

the sands of exile Combining close textual analyses of memoirs poetry drama and fiction with a carefully researched historical perspective Spanish Culture behind Barbed Wire Investigates how the most significant literature of the early post civil war exile period appropriated the concentration camp as a discursive vehicle Behind Barbed Wire Paul Kitagaki (Jr.),2019 More than 110 000 ethnic Japanese Americans were forcibly removed from their homes at the start of World War II and transported to desolate detention centers after President Franklin D Roosevelt signed Executive Order 9066 in early 1942 Paul Kitagaki s parents and grandparents were part of that group but they never talked about their experience To better understand Kitagaki tracked down the subjects of more than sixty photographs taken by Dorothea Lange Ansel Adams and other photographers This book is a result of that work which took Kitagaki on a ten year pilgrimage around the country photographing survivors of camps **Behind Barbed Wire** Lila Perl,2003 Discusses the forced internment of Japanese Americans in camps following the attack on Pearl Harbor and the entry of the United States into World War II **Life Behind Barbed Wire** Yasutaro Soga,2007-10-01 Yasutaro Soga s Life behind Barbed Wire Tessaku seikatsu is an exceptional firsthand account of the incarceration of a Hawai i Japanese during World War II On the evening of the attack on Pearl Harbor Soga the editor of a Japanese language newspaper was arrested along with several hundred other prominent Issei Japanese immigrants in Hawai i After being held for six months on Sand Island Soga was transferred to an Army camp in Lordsburg New Mexico and later to a Justice Department camp in Santa Fe He would spend just under four years in custody before returning to Hawai i in the months following the end of the war Most of what has been written about the detention of Japanese Americans focuses on the Nisei experience of mass internment on the West Coast largely because of the language barrier immigrant writers faced This translation therefore presents us with a rare Issei voice on internment and Soga s opinions challenge many commonly held assumptions about Japanese Americans during the war regarding race relations patriotism and loyalty Although centered on one man s experience Life behind Barbed Wire benefits greatly from Soga s trained eye and instincts as a professional journalist which allowed him to paint a larger picture of those extraordinary times and his place in them The Introduction by Tetsuden Kashima of the University of Washington and Foreword by Dennis Ogawa of the University of Hawai i provide context for Soga s recollections based on the most current scholarship on the Japanese American internment **Schools behind Barbed Wire** Karen L. Riley,2001-12-29 Often overlooked in the infamous history of U S internment during World War II is the plight of internee children Drawn from personal interviews and multiple primary source materials Schools behind Barbed Wire is the first book to uncover this unique chapter in American history Previous to the attack on Pearl Harbor the children of German and Japanese nationals took their Americanness for granted Many were citizens born on American soil Many had worn Boy Scout uniforms pledged allegiance to the flag and even collected tin foil in order to do their bit for the war effort But all this changed with the bombing of Pearl Harbor on December 7 1941 Without warning their American identity was suspect and on the basis of their

parents nationality they too were treated as enemies of the state and shipped off to remote internment camps such as the one located in Crystal City TX Schools behind Barbed Wire is the story of the boys and girls who grew up in the Crystal City internment camp and spent the war years attending one of its three internment camp schools These children attended regular classes in math and English joined clubs and tried to go about normal life in the most extraordinary of circumstances For many their wartime experiences were often the defining moments of their lives Professor Karen L Riley has meticulously recorded the struggles these children faced everyday in her new book Schools behind Barbed Wire No account of World War II would be complete without the wartime stories of these children

Behind Barbed Wire Alexander Mikaberidze,2018-11-26 An indispensable reference on concentration camps death camps prisoner of war camps and military prisons offering broad historical coverage as well as detailed analysis of the nature of captivity in modern conflict This comprehensive reference work examines internment forced labor and extermination during times of war and genocide with a focus on the 20th and 21st centuries and particular attention paid to World War II and recent conflicts in the Middle East It explores internment as it has been used as a weapon and led to crimes against humanity and is ideal for students of global studies history and political science as well as politically and socially aware general readers In addition to entries on such notorious camps as Abu Ghraib Andersonville Auschwitz and the Hanoi Hilton the encyclopedia includes profiles of key perpetrators of camp and prison atrocities and more than a dozen curated and contextualized primary source documents that further illuminate the subject Primary sources include United Nations documents outlining the treatment of prisoners of war government reports of infamous camp and prison atrocities and oral histories from survivors of these notorious facilities

Behind Barbed Wire in Korea Harold Voelkel,1953 **Behind Barbed Wire at Amache: The Story of the Japanese-American Internment During World War II.** , The Museum of Anthropology of the University of Denver in Colorado presents a virtual exhibit about the internment of Japanese Americans during World War II in the United States that specifically focuses on the internment camp Amache in Colorado The exhibit explores the 1942 decision by the U S government to evacuate Japanese Americans from the West Coast of the United States as well as how the government justified its decision The exhibit further explores the everyday life of the evacuees in Camp Amache

Life Behind Barbed Wire Keiho Soga,2007-10 **Desert Diary** Michael O. Tunnell,2020-10-06 A moving primary source sheds light on the experience of Japanese American children imprisoned in a World War II internment camp A classroom diary created by Japanese American children paints a vivid picture of daily life in a so called internment camp Mae Yanagi was eight years old when she started school at Topaz Camp in Utah She and her third grade classmates began keeping an illustrated diary full of details about schoolwork sports pets holidays and health as experienced from behind barbed wire Diary pages archival photographs and narrative nonfiction text convey the harsh changes experienced by the children as well as their remarkable resilience

Occupied Behind Barbed Wire Gillian Carr,2009 From 1942 to 1945 around 2 200 Channel Islanders were

forcibly deported to German civilian internment camps in France Germany and further a field In this book Gillian Carr looks at the experiences of deportation and internment as expressed through the range of artefacts and art produced by those interned Using mainly their Red Cross parcels as raw materials they recycled the wooden parcel crates parcel wrappings and string cardboard parcels cellophane packing materials and empty food tins to make items which ranged from football trophies to communion chalices chess sets to stage sets and brooches to trinket boxes *Behind Barbed Wire* A.
