Chisholm,2017-04 Newly appointed to his post as Deputy Warden of the West March Sir Robert Carey encounters his first challenge when a lad is found dead *A Famine of Horses* P. F. Chisholm,2017-06 With a Note From the Author In the year 1592 Sir Robert Carey a handsome courtier comes north to Carlisle to take up his new post as Deputy Warden of the West March He has wrangled his appointment to be nearer to his true love a married woman and farther from the gimlet eyes of his creditors and the disapproving eye of his father the Queen s cousin possibly her half brother And of course he can use the money Sir Robert is quick to realize he won t see a profit from the perks if he fails to keep the peace Alas he is quickly challenged by the murder of a local lad the possible betrayal of a disappointed rival the ire of the lady s husband and the question of the horses the hundreds of horses being stolen from all over the neighborhood It s hard to say whether the greater danger lies without the city walls amidst the scheming Scots or within amidst the unruly English garrison Rich in atmosphere and packed with vivid real and fictional characters few novels are as well imagined or as much fun as this romp through roguish courtiers rival gangs rustling treason and high ambition **The Black Horse** ,1976
