A Common Mans View:

A Common Man's View Chad Dupill, 2012-02-24 Republicans and Democrats continue to fight with each other but the truth is that neither side is really presenting Americans with solutions to their most pressing problems One reason the so called mainstream right and left cant understand the struggles of everyday people is that virtually all of them are far removed from regular life A Common Mans View provides a fresh perspective from middle class America in a bid to get the country back on the right track Join a former US Marine Corps helicopter pilot who was deployed twice in support of Operation Iraqi Freedom as he focuses on what being a hero means where to find modern day heroes what is at stake in the War on Terror what faith attitude and a little bit of perspective can do and what to do to achieve individual and collective success The common people do not have nannies to watch over their children and they somehow balance their household budgets as the economy goes up and down Discover what makes the United States great and play your part in reversing its decline by holding up old fashioned common values

A Common Man's View Mark Watkins, 1992-03-01 *THE GUARDIANS OF EVIL* BABY KATTACKAL, 2015-01-08 A society where scamsters and criminals rule the roost Rule of law has touched its all time low The people are condemned to live a life of insecurity unable to protest for fear of their dear lives Virtues have gone down the drain Its place is usurped by mindless violence A set of goons thrive amidst the unwary people often reared by the politicians to finish their adversaries as part of settling a score with them They are called Quotation men as they quote their fees for killing or chopping the limbs of the people They kill many hapless innocent people on mistaken identity Religious sentiments boost violence ignoring their noble teachings of universal love The spread of drugs assume baffling dimensions with the blessings of the authorities They resort to easy ways to shun their duties A minister s visit is more important for them than a dead body surfaced in the river Superstitions and blind belief are rampant which often boomerang The sanctity and depths of consanguinity is blatantly at stake causing it to be redefined to suit the present Our society has turned a cess pool of evils Read on *Catalog of Copyright Entries.
