Charles R. Harrell

A Companion To Your Study Of The Old Testament:

A Companion to Your Study of the Old Testament Daniel H. Ludlow, 1981 *Miracles of the Old Testament* Alonzo Gaskill, 2023-02-02 Beginning with the Creation the Old Testament contains a wealth of examples that showcase the Lord's power on earth Now you can find out what these miracles mean by examining their hidden symbolism and historical contexts Develop a greater appreciation for these miraculous moments and a deeper faith in the One who made them possible

"This Is My Doctrine": The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This *Is My Doctrine* will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions *Alfred Edersheim: Jewish Scholar for the Mormon Prophets* Marianna Edwards Richardson, 2023-02-02 As members of the LDS Church we owe our understanding of the scriptures to many scholars both inside and out of the LDS community Perhaps the most influential non LDS scholar was a man named Alfred Edersheim Born in 1825 to Jewish parents he became an Anglican minister a prolific writer and a gifted linguist His works have been studied and quoted by Church authorities and scholars for more than a hundred years Edersheim used his knowledge of Jewish customs language and beliefs to increase Christianity's understanding of the events and teachings of both the Old and New Testaments His scholarship coupled with a fervent testimony of Jesus Christ has made him one of the most influential scripture scholars of our time *Alfred Edersheim Jewish Scholar for the Mormon Prophets* explores his life his writings and his influence on LDS writers scholars and authorities Whether or not you are already familiar with Edersheim's work you will enjoy reading the words of this inspiring disciple of Christ His powerful testimony of the Savior will strengthen your own faith in the mission of Jesus Christ **The Foundations of Scriptural Understanding** Dann W Hone, 2024-10-07
