## **A Dangerous Pleasure:**

Dangerous pleasure. Pleasure of an old flame Cady Lorenzana,2019 Includes two romance novellas Dangerous Pleasures Lora Leigh,2012-07-05 Dangerous Pleasures is a steamy suspense novel from bestselling romance author Lora Leigh Paige Galbraith has always wondered if the dark cool and mysterious Abram Mustafa is hiding a wicked side a side that will allow her to explore the kind of pleasure she has only dreamed of For Abram Paige is the only woman he has ever loved But Abram faces the greatest test of his life when his father kidnaps Paige With Paige s life now in danger Abram knows that his plans for escape from the only home he has ever known have become more imperative than ever And for Paige with her freedom taken from her she must learn to trust Abram with more than her fantasies She must trust him with her life and her heart Continue the Bounds Heart series with Secret Pleasure *The Confessions of St. Augustine* Saint Augustine (of Hippo),1909 **The Whole Sermons of Jeremy Taylor ...** Jeremy Taylor,1841 Mediated Intimacy Meg-John Barker,Rosalind Gill,Laura Harvey,2018-04-27 Mediated Intimacy looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future *Reflections on the works of God and of his Providence, throughout all nature, for every day in the year. Translated first from the German of ... C. C. S. into French; and now from the French into English. By a Lady* Christoph Christian STURM,1788 Holy Eros James D. Whitehead,Evelyn Eaton Whitehead,2009 Eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with God The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say Yes They discuss Eros in the movements of our sexuality as well as in our arousals of compassion and care They examine the Eros of pleasure and of generosity They honor the Eros of hope of anger of suffering They reveal that Eros has a Source far deeper than lust and is a pathway to a passionate God Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality Unlike most books on the topic it eschews easy clichs Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force Misery and Forgiveness in Euripides Boris Nikolsky,2015-06-01 The tragedies of Euripides are among the most admired works of Greek literature They are valued

especially in our own day for their sceptical attitude to authority and divinity for their psychological complexity and for their sympathetic but unsentimental portrayal of assertive women In this striking new monograph Boris Nikolsky reinterprets a Euripidean tragedy which combines these qualities to the highest degree the Hippolytus Nikolsky questions the current gender and psychoanalytical approaches to Hippolytus and challenges the widespread interpretations of the play as being concerned with the irresistible force of love and the inevitability of punishment for those who underestimate its power He reads the play in terms of its own culture and argues that Euripides primary interest lies rather in the sphere of morality Arguing from the dramatic structure of Hippolytus its imagery and the problems of its production the author proposes a new interpretation of the play s main theme humans turn out to be not culprits but victims of fate their will always tends towards virtue but their natural weakness and the ambivalence of virtue itself lead them to wrong actions In consequence it is exoneration and forgiveness that are shown to be the highest and only pure moral values
