A Darkness of Giants J. Allan Bosworth, 1972 Three teenagers organize an expedition to California's Six River National Forest to try and make a photographic record of the huge mysterious creatures supposedly living there **Giants of Darkness** Norgrove Thurley, 1957 **English Fairy Tales** Flora Annie Webster Steel, 2023-08-17 English Fairy Tales by Flora Annie Webster Steel invites readers into a magical realm filled with enchanting stories that have been passed down through generations Drawing from the rich tapestry of English folklore and tradition Steel weaves a collection of captivating tales that transport readers to a world of fantastical creatures moral lessons and timeless wonders Throughout the pages of English Fairy Tales readers encounter a diverse array of characters from cunning tricksters to valiant heroes and kind hearted maidens These characters navigate through various trials tribulations and adventures each story offering its own unique blend of magic mystery and moral teachings The anthology features a mix of familiar and lesser known tales each brimming with imaginative twists and turns Whether it's the mischievous antics of clever animals the challenges faced by courageous young protagonists or the encounters with otherworldly beings each story captures the essence of English storytelling traditions and the cultural values they convey Steeped in the landscapes and folklore of England the tales often reflect the natural world and its wonders Forests meadows and enchanted glens serve as settings for the characters' journeys while magical elements like spells transformations and mystical objects add an air of wonder to the narratives At the heart of English Fairy Tales is the exploration of universal themes such as bravery kindness justice and the triumph of good over evil The stories present moral dilemmas and challenges that encourage readers to contemplate ethical choices and the consequences of their actions Through the characters' trials and growth readers are invited to reflect on their own values and virtues Flora Annie Webster Steel's storytelling is characterized by its vivid descriptions engaging dialogue and imaginative world building Her prose captures the essence of oral tradition while also offering a literary quality that appeals to readers of all ages Each tale unfolds with a sense of anticipation drawing readers into a world where anything is possible and where the boundaries between reality and the magical are delightfully blurred English Fairy Tales stands as a timeless collection that not only entertains but also imparts valuable life lessons and insights As readers journey through these stories they are transported to a realm where the extraordinary becomes ordinary and where the power of imagination reigns supreme The book's enduring charm lies in its ability to captivate hearts and minds making it a treasured addition to the world of fairy tale literature **Folk-lore and legends: English** Charles John Tibbits, 2015-01-07 The old English Folklore Tales are fast dying out The simplicity of character necessary for the retaining of old memories and beliefs is being lost more rapidly in England perhaps than in any other part of the world Our folk are giving up the old myths for new ones Before remorseless progress and the struggle for existence the poetry of life is being quickly blotted out In editing this volume I have endeavoured to select some of the best specimens of our Folklore With regard to the nursery tales I have taken pains to give them as they are

in the earliest editions I could find I must say however that while I have taken every care to alter only as much as was absolutely necessary in these tales some excision and slight alteration has at times been required

The Giant Sam Friedland, 2004-10-13 Stop right there It was a voice of measured power a voice comfortable with command With these words we are introduced to a new character in the pantheon of heroic figures a giant in stature and strength who is but too human in aspiration Nature has favored him as undefeatable in combat society has cast him as military champion yet he longs for tranquility of home and delectation of family What must he accomplish to earn the right to claim his desire What must he sacrifice The port of Girasol known to all as the beautiful jewel offers the giant a winters respite from his wanderings He finds amicable welcome among denizens in the local tavern and there too he finds Soessa the copper haired round girl who warms his heart through the coldest of nights When the village is threatened by pirate siege local moneylenders implore him to raise armed defense but averse to presiding over even one more battle the giant defers accepting their commission He encounters trolls with peculiar dietary penchants and wondrous skills who fathom greater threat concealed within folds of the pirate attack For they remember the Demonic Titans vow to take as brother he who releases them from interment imposed in ages past by the Great Powers It is Schadenfreude master of the pirate fleet manipulator of lives who intends to redeem the Titans promise His cruelty is exceeded only by their treachery his madness by their craving Town dwellers bucolics of the country wide around troll tribes caravaneers from the distant east and swamp saurians crystallize alliances to resist their common enemy However their stand against the far stronger pirates is doomed without the giants aid Devotion among the confederates to their families and to the beautiful jewel enables the giant to see his own thread in the grand tapestry of the ages and to choose a course of action by which he can both defend Girasol and attain the life of peace he seeks

Some of The Giants Supporting Characters A lizard of a man the Saurian scout fell upon her with his teeth biting and gnashing and tearing until she moved no more The lizards tongue lapped blood from once beautiful flesh He snickered quietly to himself Sweet Very sweet How in mid winter did one furry little Tribal Luminary the troll princess Mozin Bur Mai bid Girasols harbor calm with no more than chant and seashell One might sooner know why than how
