*A Dictionary of Comparative Religion*, 1988 Samuel George Frederick Brandon, 1972 **International bibliography of comparative religion in dictionary order** Tadeusz Margul, 1984 **A Dictionary of All Religions and Religious Denominations, Jewish, Heathen, Mahometan and Christian, Ancient and Modern** Hannah Adams, 1817 **A New Dictionary of Religions** John R. Hinnells, 1995 This dictionary is a thoroughly revised and expanded edition of the book published in 1984 as the Penguin Dictionary of Religions It has undergone substantial change and considerable expansion doubling the number of contributors from all parts of the world In the study of religions substantial changes have occurred in the last decade and these are reflected in the book with new sections on Afro Caribbean religious movements changes in North America traditional religions in Latin America and new movements in Japan The dictionary also addresses broad thematic issues migration and diaspora gender and sexuality mysticism and pilgrimage Recent advances in scholarship are included and notable revisions or new commissions cover Hindus Buddhism Early Christianity Jains Gnostics and New Religious movements in the West Established in its previous edition as the standard reference work for students and teachers of the world's religions this newly revised and expanded edition is an essential reference source It has a full bibliography index and synoptic index as well as numerous maps and diagrams

Dictionary of Religion and Philosophy Geddes MacGregor, 1989 Reflected in the more than three thousand entries in this reference work is the rigorous professional training and the maturity of a lifetime of learning by an eminent scholar Through judicious selection Professor MacGregor has produced an essential and highly accessible reference book While no dictionary can pretend to cover every conceivable aspect within its field the scope of this one makes it a unique desk companion for students at every level of religious studies In addition to its extensive presentation of religious and philosophical ideas of the Judeo Christian heritage the Dictionary of Religion and Philosophy also treats vast numbers of concepts that span philosophical and religious ideas from Egyptian and Indian antiquity to the Bogomils and the Druze from the Zoroastrians to contemporary movements as diverse as scientology and the Rastafarians from Neoplatonism to the Vienna circle from the varieties of Buddhism to the schisms in Islam from bioethical questions in ancient India to contemporary American discussions on euthanasia All told this is the most expansive one volume desk reference work available for religious studies Extensive bibliographies organized by subject at the end of the book further its value as a reference work *Fifty Key Words: Comparative Religion* Eric John Sharpe, 1971-01 *A Dictionary of All Religions and Religious Denominations, Jewish, Heathen, Mahometan, and Christian, Ancient and Modern* Hannah Adams, 2016-09-10 Excerpt from A Dictionary of All Religions and Religious Denominations Jewish Heathen Mahometan and Christian Ancient and Modern With an Appendix Containing a Sketch of the Present State of the World as to Population Religion Toleration Missions Etc And the Articles in Which All Christian Denominations Agree Besides the public worship of the gods to which all without exception were

admitted there were certain religions rites celebrated in secret by the Greeks and several eastern countries to which a small number was allowed access These were called mysteries and persons who desired an initiation were obliged previously to exhibit satisfactory proofs of their fidelity and patience by passing through various trials and ceremonies of the most disagreeable kind The secret of these mysteries was kept in the strictest manner as the initiated could not reveal any thing that passed in them without exposing their lives to the most imminent danger About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A**

**Dictionary of All Religions and Religious Denominations** Hannah Adams,1992 This is a facsimile of the 1817 fourth edition of Hannah Adams's pioneering harbinger of the scholarly study of religion The book surveys the diversity of religion mostly of historical and contemporary Christian sects and movements but with significant inclusions of Jewish Muslim and heathen religious groups Adams's particular contribution was the self-conscious effort to treat all religious groups on the same level and to avoid explicit or implicit judgments She preferred to use self-descriptions where she had them It is this non-normative approach that gives the book its historical value Thomas Tweed's introduction discusses Adams's life and sets her and her book usefully in their context He includes a helpful guide to the key entries *Dictionary of All Scriptures and Myths* G. A. Gaskell,2019-02-22 In his acclaimed *Dictionary of All Scriptures and Myths* G. A. Gaskell offers authoritative definitions and clear explanations for over 5 000 terms used in sacred texts of the world's religions and mythologies The origin nature and metaphorical meaning of each concept is thoroughly explored in context supported with numerous quotations from both ancient and recent sources and authorities and carefully cross-referenced to other examples Part dictionary and part encyclopedia this oversized book is packed with illuminating information and will satisfy the curiosity of spiritual and cultural seekers Gaskell is a masterful interpreter of sacred symbols and symbolism and he explains all the key ones in detail while noting which ones have deeper underlying meanings and how they vary between different religions and countries Meticulously researched and attractively presented this invaluable guide is a must-have for comparative religion teachers and scholars *Dictionary of All Scriptures and Myths* belongs in the library of anyone studying sacred writings or reading them as literature and is an enlightening read for any layman **Concise Dictionary of Religion** ,1999 **50**

### **A Dictionary Of Comparative Religion Introduction**

In today's digital age, the availability of A Dictionary Of Comparative Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Dictionary Of Comparative Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Dictionary Of Comparative Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Dictionary Of Comparative Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Dictionary Of Comparative Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Dictionary Of Comparative Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Dictionary Of Comparative Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Dictionary Of Comparative Religion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Dictionary Of Comparative Religion books and manuals for download and embark on your journey of knowledge?
