From the Depths of the Heart Abraham Terian,2022-01-03 2022 Catholic Media Association honorable mention in prayer collections of prayers St Gregory of Narek ca 945 1003 Armenian mystic poet and theologian was named Doctor of the Church by Pope Francis on April 12 2015 Not so well known in the West the saint holds a distinctive place in the Armenian Church by virtue of his prayer book and hymnic odes among other works His writings are equally prized as literary masterpieces with the prayer book as the magnum opus With this meticulous translation of the prayers St Gregory of Narek enters another millennium of wonderment now in a wider circle The prayers resound from their author s heart albeit in a different language rendered by a renowned translator of early Armenian texts and a theologian

Looking for a Better Way to Pray? Dr. B. J. Willhite,2010-03-22 In 1988 I wrote a book called Why Pray which went through six printings by Creation House and one by the author That book was written because I knew I had something to say to the prayers of America I have over the past fifty years of ministry read scores of books on the subject of prayer Most of them dealt with some rather fundamental issues but none seemed to answer the questions I had regarding this matter I wanted to know why God who has all power a plan and a will would need us to pray I had read early in my life with God a statement attributed to John Wesley in which he said God does nothing but in answer to prayer He did not explain the statement but he sure caused

me to think If God does nothing but in answer to prayer then prayer must be one of the most important things a Christian can do I believed the statement but did not understand it and Wesley did not explain himself Later I came to believe the following God who is sovereign certainly has the power to do anything He wills to do whether anyone prays or not however I can say from a careful study of the Word and a thorough examination of life s experiences as a rule God does nothing but in answer to prayer THE LAW OF PRAYER is a follow up of Why Pray I have included in it some of the same material with several new chapters a new cover forward and updated illustrations David Shibley will write the forward Other recommendations will come from Bishop Ken Ulmer of Los Angeles CA Pastor Steve Dixon Jack Hayford and Mike Bickel My Purpose in writing this Is to instruct encourage and inspire God s children to pray by convincing them that He will hear their prayer as quickly as He will hear the prayer of anyone Is to share the truth that God our Father desires to have a relationship with each of His children and has made a way for this to happen His door is never closed and all are invited to come in for a chat Is to communicate a few more things I have learned to the thousands who read Why Pray Last but not least I want to obey my Father

A Searcher's Treasures Paul M Sivey,2019-04-26 A Searcher s Treasures An Independent Study of God s Word This book presents interpretations both old and new both from the writer s own studies and from the learned works of others It is intended to help get Bible reading and study above the horizon and into view so that society can realize the greatness of God and better understand Him The book challenges common beliefs to a degree but to a greater degree it builds upon the foundations laid by the Church of which Jesus Christ is the Chief Cornerstone The writer s hope is that the more we know about God the less we will question His ways and the more we will want to love serve and obey Him The author feels that the greatest goal is to be precious in the Lord s eyes and there is no better way to do that than to introduce souls to His kingdom The book delves into the realms of questions long begging for answers such as the role of evil spirits their potential purposes and how they can be accepted as real but yet responsive to mental health treatments The book also searches out such things as the beginning of man in God s image the age of the earth and an intriguing study of how God may have always had specific time intervals in the working of His will

Fraser's Magazine for Town and Country James Anthony Froude,John Tulloch,1874 Contains the first printing of Sartor resartus as well as other works by Thomas Carlyle Our Misunderstood Bible Henry Clay Trumbull,1907 Having found the gain to himself and to some others in the added light on Bible terms and truths by these explanations and corrections the writer presents the statements and suggestions herewith hoping that they may help still others Yet none of the views here expressed are to be accepted by a Bible reader unless he find them to be conformable to Bible teachings on his more careful study But in any event good can hardly fail to come of readers being stimulated to a closer examination of the grounds for believing or of questioning as to the ideas they have been accustomed to connect with certain Bible words and terms and truths Preface **The Prayer-Gauge Debate.
