## A Dreb For Mona:

**Matthew's Bible** John Rogers, 2009 The Matthew s Bible brings together the work of two giants of sixteenth century English Bible translation William Tyndale and Myles Coverdale shared a vision of making the scriptures available to ordinary believers concerned that their authority might be undermined in a time when kings and clerics alike opposed translating them into English William Tyndale s New Testament 1526 was the first English translation made from the original language and it made the most of the emerging English tongue Knowing neither Hebrew nor Greek Myles Coverdale consulted Latin English and German sources to guide his work The vocabulary of Tyndale John Wycliff and other appears in the Coverdale Bible 1535 which was the first complete Bible in English John Rogers combined Tyndale s and Coverdale s texts supplying some translation work of his own to create the Matthew s Bible In was attributed to a fictitious Thomas Matthew concealing the inclusion of Tyndale s text so King Henry VIII would license the volume s publication So popular became the Matthew s Bible that bishops were encouraged to order copies for their parishes This book is a facsimile of one of the finest existing copies of the Matthew s Bible It features clear legible type and faithfully reproduced color pages with a new introduction by Dr Joseph W Johnson Back cover Australia, the Philippines and Other Islands of the Sea Frank George Carpenter, 1927
