The Medicine Wheel for Step Parents Mary Jane Grange, 2008-08-15 With The Medicine Wheel For Step Parents I hope to give some understanding and relief to blended families Step families have common threads of dysfunction There are many issues which form these common threads These issues occur between step parent and step child and biological parent biological child and extended family in blended families I have listed the issues and have offered affordable solutions that are within our grasp These common threads reappear in every aspect of family life including financial matters such as your childs Social Security checks child support checks medical bills and the parents Will These issues occur when the power structure changes in a home after a divorce or death in a family Everyone is left in a gigantic power struggle which retires parents prematurely Step parents and step children feel that they must protect their territory ego and family with secrets isolation intimidation manipulation and stonewalling behavior When step families are choking parents step parents and step children do not have to be severely depressed take multiple medications for depression and energy get a divorce or attempt suicide for relief Biological parents and step parents do not have to be retired prematurely There are better ways to keep everyone functioning in blended families My book will not take away all of the opposition you experience in blended families We learn by overcoming opposition not creating opposition This book helps you analyze and carry the opposition to your efforts for your blended family

A Family Gathering Mary Ann Bennett-Olson, 2018-01-08 For the most part we all live in harmony among our own family members even though they have their own unique personalities and posses various opinions on how life is to be played out Sometimes we might not always agree with their ideas but they are still family and we love them for who they are In A Family Gathering a mother and daughter are flipping through a photo album resurrecting memories taken of their family reunion but the task proves difficult as they are interrupted by the sound of noisy birds outside the window who seem to be making fond memories of their own They decide to play a game and try to pick out the difference of each family member and compare them to the variety of birds that live in the trees Up in the tree in the front yard their feathered friends are having their own family reunion A humorous dialogue between the different species of feathered creatures during their family gathering will not only conjure up a laugh or two but in the end will ultimately leave you wondering just what bird best suits your personality

Family Gathering Fred Chappell,2000-09-01 The occasion might be a holiday or a wedding a christening or a funeral and a family is gathered on the eve to eat drink talk and cast eyes upon each other Like all relations the extended family in Fred Chappell's Family Gathering has its foibles and strengths oddballs and know it alls hussies and historians sparring spouses and model marriages More than anything this family loves gossip Chappell portrays its members one and all in a series of sharply limned character sketches In this crowd of strangers we may find personalities familiar maybe too familiar Perhaps we may even find a glimpse or two of ourselves Framed by the observations of Elizabeth age eight Priss proud in her finery and bored Bored bored the collection introduces ebullient Cousin Marjorie self satisfied Uncle Einar evasive Cousin Liliias cunning Aunt Wilma aged Uncle Nahum convivial Uncle Hobart confusing Aunt Alicia set down in poems terse witty sympathetic thoughtful and satiric Cousin Elmer tends the family tree Shaping it to topiary rare And strange as he trims a little here and there And lops some ugly branches drastically Cousin Lola charts her paramours On a performance scale from One to Ten And then announces publicly the scores Uncle Brit cuts you off before you say Two sentences and lets you know He knows already what you think And what you think is pretty dumb And Aunt Agnes ever forgiving recognizes what we are Yet holds us in affection As steadfast as the morning star As if our faults had no connection With the persons we are within Although there is no continuous story line the poems in Family Gathering almost amount to a piece of fiction We leave these lines with full knowledge of the characters their personalities

prejudices idiosyncrasies and intricate relationships with one another Chappell gives us gossip but also gossip parodied If your family is like most sparks of recognition will leap from every page With results like those of the Polaroids taken by the family photographer Chappell makes us look as scary As old woodcuts in a bestiary But maybe after all that s us Varied humorous and above all true Family Gathering is pure mean fun Reports of Cases Determined in the Supreme Court of the State of Utah Utah.
