Smith, 2016-11-08 Historians now recognize the brilliant record of the 4th New York Independent Battery at the Battle of Gettysburg Alone and only feebly supported this artillery battery led by Captain James Smith bore the first assault of Hood s Division on Devil s Den in front of Round Top in the battle of the second day Smith himself was commended on the field by General Henry Jackson Hunt chief of artillery The 4th Battery imposed a delay on Hood s troops at Devil s Den which gave time to Union General Warren to hasten forward defenders for Little Round Top which it is claimed was lost by the enemy by less than five minutes The title is ironic since in Smith s day the activities of the 4th at Gettysburg were little known In addition to a detailed account of Gettysburg by Smith this book contains stories and anecdotes from other parts of the battery s service Front line accounts of the American Civil War bring an immediacy to a long ago event and connect us to these everyday men and women who lived it **A Famous Battery and Its Campaigns, 1861-'64** James E. than Major General Daniel E Sickles By 1863 Sickles was notorious as a disgraced former Congressman who murdered his wife s lover on the streets of Washington and used America s first temporary insanity defense to escape justice With his political career in ruins Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac s 3rd Corps despite having no military experience At Gettysburg he openly disobeyed orders in one of the most controversial decisions in military history Hessler s critically acclaimed biography is a balanced and entertaining account of Sickles colorful life Civil War enthusiasts who want to understand General Sickles scandalous life Gettysburg s battlefield strategies the in fighting within the Army of the Potomac and the development of today s National Park will find Sickles at Gettysburg a must read The few other Sickles biographies available will now take a back seat to Hessler s powerful and evocative study of the man the general and the legacy of the Gettysburg battlefield that old Dan left America I highly recommend this book J David Petruzzi coauthor of Plenty of Blame to Go Around Jeb Stuart s Controversial Ride to Gettysburg [The Artillery of Gettysburg](#) Bradley M.
