A Faraway Place:

Faraway Places Albert Trajstman, 2019-02-01 Faraway Places is a collection of three novellas that goes to dark and dingy places that the faint hearted might wish are truly faraway But are they Not when you take a crazed trip with an odd ball who dreams of a faraway place while all the while he is on a slow burn to insanity Maybe he can solve the problem of living in a caravan alongside a garbage tip with a foul mouthed significant other and a companion dog That s not an easy problem to solve when you lack initiative Perhaps the frozen wastelands of pre revolutionary Russia are a change of location but still you ll find that it s that kind of faraway place where many bizarre things could be possible dogheaded people might exist a nasty con man can become a tsar and if you want to save your skin there are people you should avoid If that s not enough then waiting to be solved is the provenance of two mysterious trunks and their contents in the basement of St Petersburg s Hermitage Finally a misconception about a killing on an isolated farm in a British colony in 1815 leads to disastrous consequences Decent men can commit abominable acts and criminals can be decent In this faraway place it s brutal times all round brutal times for the original native inhabitants for settlers and their women and for the convicts and child convicts A gripping read

Records and Briefs* California (State)., **Illinois Technograph** ,1956 **How the Bible Actually Works** Peter Enns,2019-02-19 Controversial evangelical Bible scholar popular blogger and podcast host of *The Bible for Normal People* and author of *The Bible Tells Me So* and *The Sin of Certainty* explains that the Bible is not an instruction manual or rule book but a powerful learning tool that nurtures our spiritual growth by refusing to provide us with easy answers but instead forces us to acquire wisdom For many Christians the Bible is a how to manual filled with literal truths about belief that must be strictly followed But the Bible is not static Peter Enns argues It does not hold easy answers to the perplexing questions and issues that confront us in our daily lives Rather the Bible is a dynamic instrument for study that not only offers an abundance of insights but provokes us to find our own answers to spiritual questions cultivating God s wisdom within us The Bible becomes a confusing mess when we expect it to function as a rulebook for faith But when we allow the Bible to determine our expectations we see that Wisdom not answers is the Bible s true subject matter writes Enns This distinction he points out is important because when we come to the Bible expecting it to be a textbook intended by God to give us unwavering certainty about our faith we are actually creating problems for ourselves The Bible in other words really isn t the problem having the wrong expectation is what interferes with

our reading Rather than considering the Bible as an ancient book weighed down with problems flaws and contradictions that must be defended by modern readers Enns offers a vision of the holy scriptures as an inspired and empowering resource to help us better understand how to live as a person of faith today How the Bible Actually Works makes clear that there is no one right way to read the Bible Moving us beyond the damaging idea that being right is the most important measure of faith Enns s freeing approach to Bible study helps us to instead focus on pursuing enlightenment and building our relationship with God which is exactly what the Bible was designed to do **My Dad and Me** Larry King,2006 King offers a moving and revealing collection of inspirational stories about fathers from a host of famous and successful sons and daughters
