## **A Financial Handbook For Western Business:**

**A Financial Handbook for Western Business** Thomas Criste,1976      **The Islamic Finance Handbook**  
REDmoney,2014-04-07 Get up to speed quickly on the world s fastest growing financial sector The Islamic Finance Handbook  
A Practitioner s Guide to the Global Markets is the definitive report for the Islamic finance industry Written by the industry s  
leading practitioners the book provides a country by country breakdown of the current state of the Islamic market including  
league tables by region and by country Relevant case studies are used throughout to illustrate the practical aspect of the  
information presented Organized for easy navigation each chapter features sub sections that allow instant comparison  
between countries in a specific area of interest The Islamic finance industry is the world s fastest growing sector valued at  
over U S 1 3 trillion by the UK Islamic Finance secretariat with an annual growth of 24% for the past five years To compete  
globally practitioners need a true understanding of key markets within the industry The Islamic Finance Handbook paints a  
clear picture of where each country stands in its development and role within the market and provides a straightforward  
comparison between markets Features include Current macroeconomic and microeconomic conditions Regulatory and  
political situations Recent transactions key participants and the investor climate Real world cases as opposed to speculative  
scenarios The book places a clear focus on current conditions versus past performance and on practical applications versus  
theoretical speculation Each chapter is authored by a leading practitioner from within each country allowing a true glimpse  
inside the day to day workings of the Islamic markets For finance professionals who need to get up to speed on this rapidly  
growing sector The Islamic Finance Handbook A Practitioner s Guide to the Global Markets is a clear comprehensive guide
