Circular Economy and Human Resources: Global Perspectives Anushka Lydia Issac,Hasnan Baber,2025-12-02 This

book fills a crucial gap by providing a comprehensive resource for implementing circular solutions in business and human resources. It helps professionals and organizations embrace sustainability by integrating circular concepts into daily operations and HR practices. The book serves as a practical handbook offering insights, ideas, and case studies for adopting circular business models and sustainable HR practices. It addresses challenges such as navigating complexity, providing practical strategies for incorporating circular economy principles into various sectors. It also discusses cross-cultural challenges, guiding readers on overcoming factors crucial for adopting circular HR policies. Furthermore, the book addresses the lack of comprehensive resources in the field by providing an in-depth perspective that bridges sustainability, circular processes, and human resources. It also discusses ethical considerations, recognizing the ethical implications of circular activities and assisting readers in navigating these complex issues. Overall, the book prepares professionals for long-term success in a rapidly changing global environment.
