*Dating Hamlet* Lisa Fiedler, 2025-09-23 Ophelia lives to tell the tale of what happened at Elsinore The nights at Elsinore are longer than anywhere else I have stayed awake these many weeks which has aided me greatly in my portrayal of one who has gone daft For my skin is pale as fresh daisy petals and my eyes sink inward rimmed by bruise like swells of purple The servants and courtiers whisper that surely Ophelia most beautified Ophelia has lost touch It isn't easy dating a prince especially when that prince is Hamlet It could easily drive a young girl to madness or so it would seem Since the death of his father Ophelia's beloved Hamlet has descended into a deep depression To make matters worse the Danish court is filled with lies and deceit Was Hamlet's father murdered by King Claudius Is Polonius truly the father of Laertes Who can be trusted as a friend And who is to be feared as an enemy It is up to clever Ophelia with the help of her friends to find a way to save her prince and herself Only then can she finally reveal the truth about what really happened in the famed castle at Elsinore With Shakespeare's classic play as a frame Lisa Fiedler gives voice to Ophelia in a gripping novel full of romance ghosts and a touch of alchemy

**Routledge Revivals: William Shakespeare: The Anatomy of an Enigma (1990)** Peter Razzell, 2016-10-04 First published in 1990 the aim of this book is to reveal the William Shakespeare whose life has been obscured by centuries of literary mythology It unravels a series of strands in order to understand the man and the major influences which shaped his life and writing The first part advances the thesis that his relationship with his father directly influenced the character of Falstaff helping to not only explain key events in his father's life but also critical events in his own biography This thesis not only illuminates the Falstaff plays but also a number of other works such as Hamlet The second part focuses on Shakespeare's own life and includes much original research particularly on the tradition that he was a poacher of deer discussing the influence this incident had on his later life and writings In addition a sociological approach has been used which illuminates a number of key areas including questioning the view his background was narrow and provincial which has often been used to dispute his authorship of plays of such cosmopolitan appeal
