

# THE COVENANTS

Λ

Ω

**EXPLANATION**  
 God has made eight covenants with mankind. They all relate to the earth. Each one introduces a new dispensation. Six of them were given to individual men and are named after them, as Adam, Noah and etc. and went into effect during their lives except the one given to David which took effect at the birth of Jesus. Each one has a time element and runs out or expires at the time shown on the chart. Four of them are known by a sign.
