Daughter Of The Middle Border Incribed:

Rounded Up in Glory Michael Grauer, 2016-08-15 Frank Reaugh 1860 1945 pronounced Ray was called the Dean of Texas artists for good reason His pastels documented the wide open spaces of the West as they were vanishing in the late nineteenth century and his plein air techniques influenced generations of artists His students include a Who's Who of twentieth century Texas painters Alexandre Hogue Reveau Bassett and Lucretia Coke among others He was an advocate of painting by observation and encouraged his students to do the same by organizing legendary sketch trips to West Texas Reaugh also earned the title of Renaissance man by inventing a portable easel that allowed him to paint in high winds and developing a formula for pastels which he marketed A founder of the Dallas Art Society which became the Dallas Museum of Art Reaugh was central to Dallas and Oak Cliff artistic circles for many years until infighting and politics drove him out of fashion He died isolated and poor in 1945 The last decade has seen a resurgence of interest in Reaugh through gallery shows exhibitions and a recent documentary Despite his importance and this growing public profile however **Rounded Up in Glory** is the first full length biography Michael Grauer argues for Reaugh's importance as more than just a longhorn painter Reaugh's works and far reaching imagination earned him a prominent place in the Texas art pantheon [A Catalogue of the Everett D. Graff Collection of Western Americana](#) Newberry Library, 1968-11 The Everett D Graff Collection of Western Americana consists of some 10 000 books manuscripts maps pamphlets broadsides broadsheets and photographs of which about half are described in the present catalogue The Graff Collection displays the remarkable breadth of interest knowledge and taste of a great bibliophile and student of Western American history From this rich collection now in The Newberry Library Chicago its former Curator Colton Storm has compiled a discriminating and representative Catalogue of the rarer and more unusual materials Collectors bibliographers librarians historians and book dealers specializing in Americana will find the Graff Catalogue an interesting and essential tool Detailed collations and binding descriptions are cited and many of the more important works have been annotated by Mr Graff and Mr Storm An extensive index of persons and subjects makes the book useful to the scholar as well as to the collector and dealer The book is not a bibliography but rather a guide to rare or unique source materials now enriching The Newberry Library's outstanding holdings in American history **Hamlin Garland** Keith Newlin, 2008-06-01 In recognition of his achievements in literature Hamlin Garland 1860 1940 received four honorary doctorates and a Pulitzer Prize Keith Newlin traces the rise of this prairie farm boy with a half formed ambition to write who then skyrocketed into international prominence before he was forty His life is a story of ironic contradictions the radical whose early achievement thrust him to the forefront of literary innovation but whose evolutionary aesthetic principles could not themselves adapt to changing conditions the self styled veritist whose credo demanded that he verify every fact but whose credulity led him to spend a lifetime seeking to confirm the existence of spirits His need for recognition caused him to cultivate rewarding friendships with the leaders of literary culture yet even when he attained that recognition it was never

enough and his self doubt caused him fits of black despair The first and only other biography of Hamlin Garland was published more than forty years ago since then letters manuscripts and family memoirs have surfaced to provide along with changing literary scholarship a more evaluative and critical interpretation of Garland s life and times Hamlin Garland A Life is an exploration of Garland s contributions to American literary culture and places his work within the artistic context of its time Essays and Studies on American Language and Literature Uppsala universitet.
