Daughters Of The Saints:

Daughter of the Saints Dorothy Allred Solomon,2020-04-14 Probably the best book ever written about polygamy Neither an apologia nor an expos Salt Lake City Tribune I am the daughter of my father s fourth plural wife twenty eighth of forty eight children a middle kid you might say So begins this astonishing and poignant memoir of life in the family of Utah fundamentalist leader and naturopathic physician Rulon C Allred Since polygamy was abolished by manifesto in 1890 this is a story of secrecy and lies of poverty and imprisonment and government raids When raids threatened the families were forced to scatter from their pastoral compound in Salt Lake City to the deserts of Mexico or the wilds of Montana To follow the Lord s plan as dictated by the Principle the human cost was huge Eventually murder in its cruelest form entered when members of a rival fundamentalist group assassinated the author s father Dorothy Solomon monogamous herself broke from the fundamentalist group because she yearned for equality and could not reconcile the laws of God as practiced by polygamists with the vastly different laws of the state This poignant account chronicles her brave quest for personal identity Originally published in hardcover under the title Predators Prey and Other Kinfolk **Daughters of the Goddess** Linda Johnsen,1994 This book takes us along on a search for the feminine face of God We travel with Linda Johnsen for a fascinating investigation of the great women saints of India who manifest the divine in their lives Together with her we comb the scriptures meet the holy ones and are led step by step to sit in awe at the feet of six remarkable contemporary women Daughters in My Kingdom Church of Jesus Christ of Latter-day Saints,2011 In the first meeting of the Relief Society Sister Emma Smith said We are going to do something extraordinary She was right The history of Relief Society is filled with examples of ordinary women who have accomplished extraordinary things as they have exercised faith in Heavenly Father and Jesus Christ Relief Society was established to help prepare daughters of God for the blessings of eternal life The purposes of Relief Society are to increase faith and personal righteousness strengthen families and homes and provide relief by seeking out and helping those in need Women fulfill these purposes as they seek receive and act on personal revelation in their callings and in their personal lives This book is not a chronological history nor is it an attempt to provide a comprehensive view of all that the Relief Society has accomplished Instead it provides a historical view of the grand scope of the work of the Relief Society Through historical accounts personal experiences scriptures and words of latter day prophets and Relief Society leaders this book teaches about the responsibilities and opportunities Latter day Saint women are given in Heavenly Father s plan of happiness Women in a Celtic Church Christina Harrington,2002-04-11 A history of women in the early Irish church has never before been written despite perennial interest in the early Christianity of Celtic areas and indeed the increasing interest in gender and spirituality generally This book covers the development of women s religious professions in the primitive church in St Patrick s era and the development of large women s monasteries such as Kildare Clonbroney Cloonburren and Killeedy It traces its subject through the heyday of the seventh century through the Viking era and the

Culdee reforms to the era of the Europeanization of the twelfth century The place of women and their establishments is considered against the wider Irish background and compared with female religiosity elsewhere in early medieval Europe The author demonstrates that while Ireland was distinct it was still very much part of the wider world of Western Christendom and it must be appreciated as such Grounded in the primary material of the period the book places in the foreground many largely unknown Irish texts in order to bring them to the attention of scholars in related fields Throughout the study the author notes widespread ideas about Celtic women pagan priestesses and Saint Brigit considering how these perceptions came about in light of the texts and historiographical traditions of the previous centuries

God's Little Daughters Ji Li, 2015-06-01 *God's Little Daughters* examines a set of letters written by Chinese Catholic women from a small village in Manchuria to their French missionary Father Lin or Dominique Maurice Pourqui who in 1870 had returned to France in poor health after spending twenty three years at the local mission of the Soci t des Missions Etrang res de Paris MEP The letters were from three sisters of the Du family who had taken religious vows and committed themselves to a life of contemplation and worship that allowed them rare privacy and the opportunity to learn to read and write Inspired by a close reading of the letters Ji Li explores how French Catholic missionaries of the MEP translated and disseminated their Christian message in northeast China from the mid 19th to the early 20th centuries and how these converts interpreted and transformed their Catholic faith to articulate an awareness of self The interplay of religious experience rhetorical skill and gender relations revealed in the letters allow us to reconstruct the neglected voices of Catholic women in rural China

Roles and Rituals for Hindu Women Julia Leslie, 1992-01-01 The considerable interest currently being expressed in women and religion has thrown down an important challenge the need to see women not merely as the passive victims of an oppressive ideology but also perhaps primarily as the active agents of their own positive constructs This book therefore aims to fill a notable gap in the literature Twelve contributors study the role of women in Hindu religion by examining textual studies of the part played by women in a variety of religion rituals both past and present by exploring the socio religious context of their various communities and by using specialist material to draw on cross cultural conclusions
