## **Dave Stockton's Putt To Win:**

**Dave Stockton's Putt to Win** Dave Stockton, Al Barkow, 2002-08 In Dave Stockton's Putt to Win Stockton one of the greatest putters of all time shares the secrets he's learned throughout his career for mastering the other game of golf the one played on the green The leading money winner on the Senior PGA Tour in 1993 and 1994 Stockton explains the mechanics necessary for successful putting and the mental approach needed to accept your share of misses while holing at least your share of birdies Beautifully illustrated to highlight various putting techniques and loaded with solid practice drills and short game tips Dave Stockton's Putt to Win helps you do just that Stockton shows numerous ways to improve your putting and ultimately lower your score Topics covered include how to develop a smooth dependable mistake free stroke how to stay focused throughout the stroke no matter how difficult the putt how to read the green and judge the distance to the hole how to make adjustments for the length the speed and the grain of the green how to read the subtle features that can influence the roll of the ball how to choose the proper putter and much more But most important Dave Stockton is able to articulate and teach us how to develop feel the crucial element that separates great putters from those who quake at the sight of a breaking four footer

[Unconscious Scoring](#) Dave Stockton, Matthew Rudy, 2012-09-13 The Pro Tours hottest coach scores the perfect follow up to his bestselling golf guide Examples from his week to week sessions including black and white and color photos and instructional video tags reveal the simple processes and transformative insights that every player yearns to master

*Own Your Game* Dave Stockton, Matthew Rudy, 2014 The pro tour's hottest coach Golf Digest distills the lessons of a private strategy session into an indispensable soft skills companion Credited with transforming the short games of world class golfers like Rory McIlroy Phil Mickelson Annika Sorenstam and Yani Tseng Dave Stockton is one of the most sought after coaches in golf Yet Stockton's natural abilities are more like the average player's than those of most tour superstars Not particularly long off the tee and average in terms of ballstriking Stockton has won multiple major championships through a willingness to set his ego aside and analyze his game objectively precisely what make him so effective as an instructor The hallmark of Stockton's coaching is the idea that trying doesn't work He shows students how to get out of their own way and let their subconscious take over In *Own Your Game* Stockton recreates the experience of riding eighteen holes with him at one of his highly sought after corporate outings He explains how any player can learn to use his or her mind effectively both in the microcosm of the shot at hand and in plotting a way through a round and gives players the tools and the freedom to play better with the swing they currently have Dave is a creative thinker and he sees things others don't He has his finger on the pulse of what it takes to play at the highest level Paul Azinger major championship winner and 2008 Ryder Cup captain While studying professional golfers in the early 1980s my mentor Dr Richard Lister told me to look to Dave Stockton as an example of a player who is superb at getting the last drop out of the lemon What he meant was Dave has been the best at using his mental skills to get the very most from his physical skills Having had the honor of working with Dave and more than

three hundred other professional golfers since I can confirm Dave's gift and passion for not only getting the very most from his own golfing skills but also from those of any golfer who aspires to do the same. Dr Deborah Graham, sport psychologist and author of *The 8 Traits of Champion Golfers*, Dave Stockton can help you simplify your approach, clear your mind and make better decisions on the golf course. He's helped me become a better player and I know he'll do the same for you. Rory McIlroy, two-time major championship winner. To play your best at the most important times, you need to be comfortable. Dave shows you how to play confident and free. It's a lot of fun. Suzann Pettersen, two-time LPGA major championship winner. Dave has proven methods that helped him achieve success on the course as one of the all-time great putters. His insight and positive mind set helped me tremendously and I would recommend him to anyone looking to improve. Annika Sorenstam, LPGA Hall of Famer and eight-time Player of the Year.

**Unconscious Putting** Dave Stockton, Matthew Rudy, 2011-09-15. *The Pro Tours Hottest Coach*. Golf Digest reveals the secrets that helped Phil Mickelson win the 2010 Masters and can utterly transform every player's game. When a resurgent Phil Mickelson won the Tour Championship in September 2009, he was quick to credit a series of simple putting lessons from veteran golf champion and instructor Dave Stockton. As a top coach, Stockton has taught a long list of pro players, including Annika Sorenstam, Yani Tseng, winner of four LPGA tournaments, Adam Scott, Texas Open champion, Hunter Mahan, Phoenix Open champion, and Morgan Pressel, World Ladies Championship of Japan winner. The putting strategies that finessed their game. Stockton's breakthrough concept is that every player has their own Signature Stroke, which is unconscious. Good putting comes from the mind, Stockton says, not from a series of stiff mechanical positions. With visualization, the right frame of mind, an efficient pre-putt routine, and connection to the individual internal stroke signature, any player can make far more putts. Putting has always been taught as an offshoot to the full swing, when in reality it is far different, almost a different game. *Unconscious Putting* will help players get out of the rigid, mechanical, overthinking trap. In *Unconscious Putting*, Stockton shows how players at every handicap level, from pros to weekend golfers, can putt effortlessly and with confidence by integrating a new mental approach with a few simple physical routines that will keep them locked on target. Readers will also gain invaluable advice on reading greens and equipment. Illustrated throughout and filled with anecdotes about how Stockton's lessons have helped today's leading players, *Unconscious Putting* is a must-have golf book and a category classic in the making.

**Fairway to Heaven** Peter Higgs, Tim Glover, 2011-09-30. In golf, nowhere is the mental strain more apparent than at the closing stages of a major championship. The crowd, absorbed in every shot, conveys the tension to the players who are also involved in another contest: the mind game. Before missing the most notorious putt in the history of the Open Championship, Doug Sanders was already thinking of which side of the gallery he would turn to first to acknowledge the applause. When he missed a three-foot putt that would have won him the old silver claret jug, there was no applause. Instead, people reacted as if they had just witnessed a terrible accident, which in a sporting context they had. It was Jack Nicklaus, rather than Sanders, who went for the jugular and in the process took possession of the jug. The line

between victor and victim can be measured not only in millions of dollars but also in fractions of inches One minute you're on cloud nine Sam Snead remarked *20th.
