Dave Barry's Guide To Marriage And Or Sex:

Dave Barry's Guide to Marriage And/or Sex Dave Barry, 1987-10 No book can guarantee you a long and happy relationship even if the author didn't know about your secret hygiene problem But the cover of a book is no place to discuss that In Dave Barry's Guide to Marriage and or Sex one of America's most beloved writers turns his keen if somewhat rheumy eye to the institution of marriage Dating These are nonstereotypical times we live in by which I mean that it is the responsibility of the woman to think up excuses that get progressively more obvious until the man figures out that the woman would rather chew on a rat pancreas Sex I'm afraid that we must talk here about sex in a very explicit manner because we want to expand the Frontiers of Human Understanding and also we want to sell as many books as possible to adolescent boys Marriage Most squabbles start with money For example you want to buy food while your spouse wants to buy a thoroughbred racehorse It's important in these situations for both of you to be willing to sit down and try to achieve a workable compromise In this case you could buy a thoroughbred racehorse and eat it
