Pfanz,2011-12-01 Available for the first time as an Omnibus Ebook edition this three volume set is the acclaimed full account of the three days at Gettysburg by the noted historian Harry Pfanz First Day For good reason the second and third days of the Battle of Gettysburg have received the lion s share of attention from historians With this book however the critical first day s fighting finally receives its due After sketching the background of the Gettysburg campaign and recounting the events immediately preceding the battle Harry Pfanz offers a detailed tactical description of events of the first day He describes the engagements in McPherson Woods at the Railroad Cuts on Oak Ridge on Seminary Ridge and at Blocher s Knoll as well as the retreat of Union forces through Gettysburg and the Federal rally on Cemetery Hill Throughout he draws on deep research in published and archival sources to challenge many long held assumptions about the battle Second Day Gettysburg The Second Day is certain to become a Civil War classic What makes the work so authoritative is Pfanz mastery of the Gettysburg literature and his unparalleled knowledge of the ground on which the fighting occurred His sources include the Official Records regimental histories and personal reminiscences from soldiers North and South personal papers and diaries newspaper files and last but assuredly not

least the Gettysburg battlefield Pfanz's career in the National Park Service included a ten year assignment as a park historian at Gettysburg Without doubt he knows the terrain of the battle as well as he knows the battle itself Culp's Hill Harry Pfanz provides the first definitive account of the fighting between the Army of the Potomac and Robert E Lee's Army of Northern Virginia at Cemetery Hill and Culp's Hill two of the most critical engagements fought at Gettysburg on 2 and 3 July 1863 Pfanz provides detailed tactical accounts of each stage of the contest and explores the interactions between and decisions made by generals on both sides In particular he illuminates Confederate lieutenant general Richard S Ewell's controversial decision not to attack Cemetery Hill after the initial southern victory on 1 July Pfanz also explores other salient features of the fighting including the Confederate occupation of the town of Gettysburg the skirmishing in the south end of town and in front of the hills the use of breastworks on Culp's Hill and the small but decisive fight between Union cavalry and the Stonewall Brigade
