I Choose to Win Perry L Walker Jr.,2020-08-24

Winning in life is a choice However when faced with circumstances and challenges that say otherwise then winning may appear to be a losing battle The book *I Choose to Win* is a collection of life experiences shared by Perry Walker He allows himself to be vulnerable regarding events that happened in his life In this book Perry Walker describes his journey from fear to faith *I Choose to Win* unveils how faith in God through the power of God's word will strengthen you to continue to pursue purpose Many times we turn to family friends meditation and motivational speakers on how to cope and navigate through the difficulties of life While all of these things are good there are times when a how to process does not meet our needs and we want to know if there is someone else who understands what we are going through Well the book *I Choose to Win* is for you instead of focusing on a step by step process The author Perry Walker engages the readers with his heartfelt conversation inspiring them spiritually and emotionally while leaving them believing winning in life is within reach
