David Newsom The Western Observer 1805 1

E. A. Schwartz

David Newsom The Western Observer 1805 1:

David Newsom: the Western Observer, 1805-1882 David Newsom,1972 *The Rogue River Indian War and Its Aftermath, 1850-1980* E. A. Schwartz,1997 From 1855 to 1856 in western Oregon the Native peoples along the Rogue River outmaneuvered and repeatedly drove off white opponents In *The Rogue River Indian War and Its Aftermath 1850 1980* historian E A Schwartz explores the tribal groups resilience not only during this war but also in every period of federal Indian policy that followed Schwartz s work examines Oregon Indian people s survival during American expansion as they coped with each federal initiative from reservation policies in the nineteenth century through termination and restoration in the twentieth While their resilience facilitated their success in adjusting to white society it also made the people known today as the Confederated Tribes of Siletz Indians susceptible to federal termination programs in the 1970s efforts that would have dissolved their communities and given their resources to non Indians Drawing on a range of federal documents and anthropological sources Schwartz explores both the history of Native peoples of western Oregon and U S Indian policy and its effects

An Environmental History of the Willamette Valley Elizabeth Orr,William Orr,2019-03-25 Western Oregon s Willamette Basin once a vast wilderness became a thriving community almost overnight When Oregon territory was opened for homesteading in the early 1800s most of the intrepid pioneers settled in the valley spurring rapid changes in the landscape Heralded as fertile with a mild climate and an abundance of natural resources the valley enticed farmers miners and loggers who were quickly followed by the construction of rail lines and roads Dams were built to harness the once free flowing Willamette River and provide power to the growing population As cities rose people like Portland architect Edward Bennett and conservationist governor Tom McCall worked to contain urban sprawl Authors Elizabeth and William Orr bring to life the changes that sculpted Oregon s beloved Willamette Valley

Landscapes of Promise William G Robbins,1997 *Landscapes of Promise* is the first comprehensive environmental history of the early years of a state that has long been associated with environmental protection Covering the period from early human habitation to the end of World War II William Robbins shows that the reality of Oregon s environmental history involves far more than a discussion of timber cutting and land use planning

Possessing the Pacific Stuart Banner,2009-06-30 During the nineteenth century British and American settlers acquired a vast amount of land from indigenous people throughout the Pacific but in no two places did they acquire it the same way Stuart Banner tells the story of colonial settlement in Australia New Zealand Fiji Tonga Hawaii California Oregon Washington British Columbia and Alaska Today indigenous people own much more land in some of these places than in others And certain indigenous peoples benefit from treaty rights while others do not These variations are traceable to choices made more than a century ago choices about whether indigenous people were the owners of their land and how that land was to be transferred to whites Banner argues that these differences were not due to any deliberate land policy created in London or Washington Rather the decisions were made locally by settlers and colonial officials and were

based on factors peculiar to each colony such as whether the local indigenous people were agriculturalists and what level of political organization they had attained These differences loom very large now perhaps even larger than they did in the nineteenth century because they continue to influence the course of litigation and political struggle between indigenous people and whites over claims to land and other resources Possessing the Pacific is an original and broadly conceived study of how colonial struggles over land still shape the relations between whites and indigenous people throughout much of the world Where We Live Now Matthew Stadler,2008 The point of departure for this collection is a translation of excerpts from Zwischenstadt by Thomas Sieverts **The People Are Dancing Again** Charles Wilkinson,2012-02-01 The history of the Siletz is in many ways the history of all Indian tribes in America a story of heartache perseverance survival and revival It began in a resource rich homeland thousands of years ago and today finds a vibrant modern community with a deeply held commitment to tradition The Confederated Tribes of Siletz Indians twenty seven tribes speaking at least ten languages were brought together on the Oregon Coast through treaties with the federal government in 1853 55 For decades after the Siletz people lost many traditional customs saw their languages almost wiped out and experienced poverty killing diseases and humiliation Again and again the federal government took great chunks of the magnificent timber rich tribal homeland a reservation of 1 1 million acres reaching a full 100 miles north to south on the Oregon Coast By 1956 the tribe had been terminated under the Western Oregon Indian Termination Act selling off the remaining land cutting off federal health and education benefits and denying tribal status Poverty worsened and the sense of cultural loss deepened The Siletz people refused to give in In 1977 after years of work and appeals to Congress they became the second tribe in the nation to have its federal status its treaty rights and its sovereignty restored Hand in glove with this federal recognition of the tribe has come a recovery of some land several hundred acres near Siletz and 9 000 acres of forest and a profound cultural revival This remarkable account written by one of the nation s most respected experts in tribal law and history is rich in Indian voices and grounded in extensive research that includes oral tradition and personal interviews It is a book that not only provides a deep and beautifully written account of the history of the Siletz but reaches beyond region and tribe to tell a story that will inform the way all of us think about the past Watch the book trailer <https://www.youtube.com/watch?v=NEtAIGxp6pc> *Library of Congress Catalog* Library of Congress,1973 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography,1978 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1974 Oregon Historical Quarterly Oregon Historical Society,2001 *National Union Catalog* ,1978 Includes entries for maps and atlases The Making of Oregon Samuel Newton Dicken,Emily F. Dicken,1979 **Checklist of Official Publications of the State of Oregon** Oregon State Library,1972 The Evolution of the Police Function in Portland, Oregon, 1811-1874
