David's First Bicycle:

David's First Bicycle Rosalie Silver, 1983 David has a lot of problems when he is given his first bicycle *David's First Bicycle* Rosalie Silver, 1983 David finally gets his dream a two wheeler bicycle **Custom Bicycles** Christine Elliott, David Jablonka, The Images Publishing Group, 2009 A unique study of the names and bikes of the world's most famous innovative and legendary makers of contemporary bespoke bicycles [Pits and Praises](#) Glorianne Swenson, 2011-01-13 Glorianne Swenson is launching her first book with a compilation of nostalgic stories she has written in creative non-fiction form. People have thanked her for her transparency in writing as you will also see as you become a part of her life through this heart-warming book. These are real people and real places and they could be any one of us or anywhere. Her Aunt Tillie could be anyone's Aunt Tillie and will ring true to her readers. As she weaves her way through her nostalgic childhood memories of her favorite season living with an outdoor privy and no running water wearing feed sack dresses rural school and fresh varnish her friends and family become your friends and family. As the fabric is intricately woven into a fine garment she writes of losing a baby her view of the rural cemetery and how she met her husband and the careful putting together of a wedding on a shoe string budget. She remembers the old red barn her own brush with death and the quiet guest of death knocking as her 66-year-old sister goes to her eternal home. There is fun laughter healing tears and many sighs as the thread dances gracefully with the needle of each story so eloquently put together with love and care. Enduring faith ties the knots of love exactly where they need to be while the back of the fabric shows the rough ends and the needle picks up in a new place over and over again in her life experiences. Plan to curl up under a blanket as Glorianne shares this well-tuned symphony of touching stories **Will you please slow down? - St David's to Lowestoft cycle ride** Chris Gooderham, 2013-08-04 Sequel to the hilarious *I Will Stand in my House Forever* Chris Gooderham returns from his intrepid journey desperately craving more. *Will you please slow down* is the comedy sequel where Gooderham finds himself a new cycling partner Endurance Bunny. A man who is physically fit primed to perfection who runs a marathon before breakfast and chops down trees with his bare hands. But Gooderham doesn't cope well with being the unfit one especially when he's forced to watch his superhuman colleague make everything look so easy. *Will you please slow down* is the real story behind the fictional Endurance Bunny and the small shrivelled organ. Much of the text is similar to the original but is written purely as a diary of the cycle tour for the purest amongst you. *Will you please slow down* is a must-read for anyone who has already cycled or is contemplating a cycle challenge and includes daily maps road and traffic conditions as well as the contour of the route [WALNECK'S CLASSIC CYCLE TRADER, DECEMBER 2006](#) Causey Enterprises, LLC, *Endurance Bunny and the Small Shrivelled Organ - St David's to Lowestoft Cycle Ride* Chris Gooderham, 2009-01-01 Sequel Moore returns from his epic cycle journey craving more.
