The year was 1849 The wagon train moved slowly along the parched Oregon Trail in the empty desolation that was to become known as southern Wyoming Martha Bradford was told she must discard either her cast iron cook stove or her pianola to lighten the burden for the oxen She has them both unloaded and then refuses to go on any further She declared that if the only things that made her life worth living were being left behind they d just as well leave both the stove and the pianola and her with them This novel is based on the next six generations of her family and the first ranch settled in that part of the country Here are real cowboys and cowgirls Indians of the past and present a faith challenged evangelist a militant suffragette newspaper owner and many others linked together by their hard work rowdy pleasures their spiritual beliefs or non beliefs and stitched into a panoramic story quilt representing the dream of the Morning Star and its hopeful annunciation of a new day rising in the Old West

We Shook Up the World Tracy Daugherty,2024-04-30 George Harrison met Muhammad Ali in 1964 when both men were on the cusp of worldwide fame Ten years later the two men simultaneously staged comebacks demonstrating just how much they embodied the promises and perils of their era In doing so Tracy Daugherty suggests they revealed the scope and the limits of political courage and commitment to faith in the modern world We Shook Up the World is the story of these two larger than life figures at a momentous time A unique blend of biography and cultural history this book goes to the very heart of the zeitgeist that each man inhabited and reinvented in profound and enduring ways In 1974 deep in the Pennsylvania woods thirty two year old Muhammad Ali was seeking renewal training to regain his heavyweight boxing title in a fight with George Foreman and exploring questions about his politics his career and his life Meanwhile George Harrison was thirty one years old With the Beatles disbanded his marriage ending and the loss of his mother still fresh he traveled to India to revitalize his faith energy and musical spirit seeking renewal at the Hindu holy city of Varanasi In contemplating how
