[The Gospel According to John \(Volume 2\)](#) Bob Johnson, 2020-04-30. In 2012, the author experienced a spiritual crisis. A pastor for over 30 years, he realized he did not have adequate answers to two fundamental questions of Christian faith: 1. What is good in the Good News of the gospel, and 2. Why did Jesus tell us to go and make disciples? The usual answers did not take adequate account of the Old Testament, which makes up three quarters of our Bibles. He eventually discovered the answers in what he came to call *The Genesis Project*. He captured all he learned in the book *The Genesis Project: The WHY of Discipleship*. That book appeals to the mind. This book and others in *The Genesis Project: A Devotional Guide* series appeals to the spirit with the hope and prayer of motivating the heart to love and inspiring the hands and feet to action. The author hopes these 40-ish daily devotions on *The Gospel According to John* will help the reader get in the game of discipleship.

The Shadow's Devotion Mathew Leeth, 2025-11-27. In this evocative narrative, Julia confronts the quiet despondency of her life and an emotionally hollow marriage. A poignant chance encounter awakens memories of past warmth and unfulfilled potential. Amidst societal facades, she teeters between duty and the lure of a heartfelt yet uncertain passion. As Julia embarks on a transformative journey of authenticity with a figure from her youth by her side, they share unspoken truths and discoveries. Together, they choose a courageous path toward healing and connection, finding solace in each other's understanding and a shared dawn. This story elegantly captures the essence of resilience, the search for genuine self, and the comforting tapestry of love in reconnection and renewal.

Seven Themes from the Gospel of John Robert Roy Wright, 1964. *The Johannine Renaissance in Early Modern English Literature and Theology* Paul Cefalu, 2017. The volume highlights how the Fourth Gospel and First Epistle of Saint John, the Evangelist, were leading apostolic texts during the early modern period in England and the importance of Johannine theology to early modern religious poetry.
