A Different Darkness:

A Different Darkness and Other Abominations Luigi Musolino, 2022-11-08 The highly original and truly terrifying folk horror of Italy's Luigi Musolino was introduced to an international audience in the acclaimed *The Valancourt Book of World Horror Stories* and now at last an entire volume of the author's best work eight stories and three novellas is available in English for the first time In *Lactic Acid* a jogger takes an unfamiliar shortcut and quickly finds himself trapped in a nightmare from which there may be no escape In *Uironda* a strange urban legend overheard at a rest stop becomes a horrifying reality for one truck driver *The Last Box* tells of a grieving contortionist's plan to make contact with his dead trapeze artist wife by twisting his body into the abstruse angles of her mangled corpse And in the title novella after a little girl vanishes in a supermarket her parents find a strange solace when they find a bottomless pit in their basement from which her laughter seems to echo but the abyss's shimmering darkness is not what it seems Musolino's tales set among the plains and mountains of his native Piedmont are uniquely Italian but the darkness he probes is universal As Brian Evenson writes in the introduction Musolino has a strong and original voice and uses it to get to some uniquely dark places Rather than blood or gore he's ultimately interested in what's truly terrifying the vertiginous darkness that threatens to open up and swallow us A darkness that calls to us calls to us until we can't help but answer and stumble toward it An experience worthy of David Cronenberg a sick and monstrous universe where authors like Barker and Ligotti would feel right at home Nicola Lombardi author of *The Gypsy Spiders*

Dark Souls : Beyond the Grave - Volume 2 Damien Mecheri, Sylvain Romieu, 2019-02-19 We thought we had gone through the topic in the first volume those two games opened new vistas of reflexions The in depth analysis of Hidetaka Miyazaki's *Dark Souls* saga continues with this volume 2 decoding the *Bloodborne* and *Dark Souls III* episodes An indispensable ebook for all the fans of the game *Dark Souls EXTRACT* The project christened *Project Beast* began soon after the *Astoria of the Abyss* DLC was released in August 2012 At the time FromSoftware was also beginning to build *Dark Souls II* its cash cow Miyazaki kept his distance from this sequel which was handed off to Tomohiro Shibuya and Yui Tanimura with support from the FromSoftware president and creator of *King's Field* Naotoshi Zin who supervised the game system On his end Hidetaka Miyazaki formed a trusted team of regular collaborators such as lead programmer Jun It who had already filled this role for *Demon's Souls* and *Dark Souls* composer and lead sound designer Tsukasa Saito *Armored Core* games and most of his regular artists Daisuke Satake Masanori Waragai and Hiroshi Nakamura The success of *Demon's Souls* and the even greater success of *Dark Souls* allowed FromSoftware to grow its ranks significantly In total no fewer than fifty programmers participated in the project along with around twenty game system designers and fifty people working on visual creation animation scenery characters etc Thanks to financial support from Sony many Japanese Chinese and Taiwanese studios were sub contracted during the production to help with graphics and visuals

Holyoak,2023-05-15 I See More Clearly in the Dark chronicles the experiences of a narrator referred to only as I as she wanders a dystopian near future drained of life sustaining darkness the kind that Japanese novelist Junichirō Tanizaki imagines beneath trees that stand deep in the forest This ethical and ecological desecration is lived out simultaneously by a parallel I an amorphous prehistoric or posthuman body living and dreaming in a lush and tenebrous wilderness The government has decided to wipe out national forests to install brilliant homogenous resorts in which citizens are obliged to live under conditions of total illumination the forest's expansive darkness remaining only as a memory and haunting source of imagination When her lover is relocated as part of this Resort Plan I is left to mourn a present emptied of intimacy or future from her home in the city of P based loosely on Paris Ville Lumière before escaping to the edge of the forest to seek out the darkness that might remain Potent damp fecundly poetic tapping ancient crawlspaces and communal future logics both with lean trancey prose a treatise on darkness as urgent vital recalibration for the late capitalist surveillance show and its suite of ever expanding horrors Jess Arndt author of Large Animals This beautiful book exercises a delicate muscle weak from habitual disuse the ability to see while eliding the snare of being constantly on view Alexandra Kleeman author of Something New Under the Sun A parable on the tyranny of visibility Holyoak's vivid evocative prose confronts readers with a radically embodied subjectivity John Miller artist and writer Damning and redemptive within its symbiotic apocalypse a relic waiting to be born Jon Wagner poet theorist translator
