A Fabricated Mexican:

A Fabricated Mexican Rick P. Rivera, 1995-06-30 Rick Rivera's first novel charts the sometimes hilarious sometimes bitter sweet saga of growing up in two cultures with the American Dream as a guiding light In a series of poignant vignettes the reader follows Ricky Coronado's search for identity a search made more difficult by the specter of his father's suicide and the pressures placed upon him by his strong willed mother The narrator is a quiet but mischievous boy who retells the antics of his close knit and often eccentric family The amusing adventures of the clan include his stepfather's proposal to his mother visits to the psychiatrist and the comic misconstruction of Catholic catechism by well meaning nuns In his journey of self discovery that harkens to the pioneer work of Oscar Zeta Acosta's *Brown Buffalo* adventures Ricky comes to the same solution that generations of hyphenated Americans have reached the painful but rewarding creation of a new self that combines elements of both ethnic realities *A Fabricated Mexican*, *How Did You Get To Be Mexican* Kevin Johnson, 2010-06-21 During an interview for a faculty position a senior professor asked Kevin Johnson bluntly How did you get to be a Mexican And a young woman at a Harvard Law School dinner party inquired Are you one of those people whose high school friends are all dead from gangs and stuff The son of a Mexican American mother and an Anglo father Professor Johnson has spent his life in the borderlands between racial identities In this insightful book he uses his experiences as a mixed Latino Anglo to examine issues of diversity assimilation race relations and affirmative action in the contemporary United States Johnson also grew up in the borderlands between classes He spent his childhood with his mother first on welfare and then with a racist working class stepfather As an adolescent he moved to his father's home in a predominantly upper middle class suburb His educational experiences too extend from a racially mixed elementary school to an all white high school and from Berkeley to Harvard Law School From this vantage point he analyzes the intersection of race and class in the United States This book looks not just at the question Who is a Latino but also at the question of where persons of mixed Anglo Latino heritage fit into the racial dynamics of the United States Professor Johnson's mother was an ardent assimilationist who classified herself as Spanish her failure to become a part of middle America led her into depression and eventually mental illness Her son has woven not just her experiences and his own but also those of friends and relatives into a complex and moving story of one white brown man's search for identity **Chicken Soup for the Latino Soul** Jack Canfield, Mark Victor Hansen, 2012-08-14 Inspiring heartwarming and humorous this special story collection celebrates Latino life and community across the country *Life and Public Services of Edwin M.
