A Cup of Tea and Devotions Beverly Davis, 2021-11-18 A Cup of Tea and Devotions Why was I inspired to create this devotional I wrote this journal simply because I myself needed to be encouraged Like so many others I needed to know that in my most darkness times God is there in most fearful moments God is carrying me and guiding me alone all life s obstacles Besides my own tribulations I have always had a passion in writing inspiring and encouraging other women to become the best version of themselves You will see that in this book I have chosen scriptures that God has placed personally on my heart that have instrumentally changed and has shaped the course my life These are some inspired verses that I meditate on often when I need an uplift I hope that the same verses that encourage me will also motivate and empower you in your journey with the Lord I pray this will strengthen you and propel you to grow deeper in your Faith while reading journaling and learning all about God s love grace and mercy No matter what we may face know and believe that He loves you immensely and that he will never leave nor forsake you And perhaps to while going through this journal you may even be interested in learning about all the different herbal teas you can drink and their benefits in this book Let your roots grow down into him and let lives be built on him Then your faith will grow strong in the truth you were taught and you will overflow with thankfulness Colossians 2 7
