

This Bible Study & Devotion Notes Journal is a simple way to write, track what you are reading, studying and focusing on. Devotions are simply taking time each day to read God's word. This Devotional note journal is a place to write down specific scriptures, their theme and focus, and what you can apply to your life. Studying the Bible will fill you with God's word. How God speaks, what He thinks, His purpose, His character, His plan.

This is a purposeful way of reading the scriptures and being familiar with chapters and verses. It is good to see God's promises. Over 7700 promises alone in the Bible. He promises to never leave, never to forsake. He is good. He is our strength. Our Savior. Our help.

When studying the Bible, it is very simple to start with a theme (like love, strength, plan), and focus on scriptures regarding that theme. Use an additional reference or concordance to look scriptures up. Oftentimes there is an alphabetical reference to scriptures in the back of most Bibles. This is a great place to find scriptures that are specific to topics and themes.
