Excerpt from *A Discourse on the Studies of the University of Cambridge* Before this part of his task was completed an attack of indisposition compelled him for a short time to quit the University and on his return the languor of ill health and a series of engagements of which it is not necessary here to speak prevented him from immediately resuming it so that the latter part of this Discourse was not printed till a late period in the Easter Term when most of the junior Members had left the University for the long vacation On this account he resolved not to publish before the University reassembled in the October Term About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Discourse on the Studies of the University* ,
