

A Disturbing Presence

Rachel Sandford

A Disturbing Presence:

A Presence that Disturbs Anthony J. Gittins, 2018-02-14 This powerful moving and disturbing book looks at the contemporary issues that block the attainment of a revitalized church a church united rather than fragmented a church tuned to justice for all rather than to provincial myopia *A Presence that Disturbs* will engage the general reader and the specialist alike with a fresh perspective on what it means to follow Christ Three themes garnered from Holocaust survivor Viktor Frankl underpin the message of this book To live you must choose you must not let life just happen To love you must encounter you must know that human encounter is the only authentic way to know and love To grow you must suffer you must know that suffering can be a vehicle of growth a chance for redemption a way to turn ourselves to the outside Gittins discusses these themes in the context of the search for meaning The new lease on life endowed by the Holy Spirit the function of imaginative ministry the communitas of true discipleship and the radical actions of Jesus ministry are just a few of the ideas explored in the quest for a new understanding of discipleship Authentic Christianity says Gittins is outreaching and encountering it communicates and ministers Christianity like its sibling Judaism does not produce complacency but complicity or participation with others These pages are an invitation to renewed discipleship and an appeal to radical Christianity in the footsteps and in the Spirit of Jesus who prayed that his followers be one in him [A Presence that Disturbs](#) Anthony J. Gittins CSSp, 2018-02-14 This powerful moving and disturbing book looks at the contemporary issues that block the attainment of a revitalized church a church united rather than fragmented a church tuned to justice for all rather than to provincial myopia *A Presence that Disturbs* will engage the general reader and the specialist alike with a fresh perspective on what it means to follow Christ Three themes garnered from Holocaust survivor Viktor Frankl underpin the message of this book To live you must choose you must not let life just happen To love you must encounter you must know that human encounter is the only authentic way to know and love To grow you must suffer you must know that suffering can be a vehicle of growth a chance for redemption a way to turn ourselves to the outside Gittins discusses these themes in the context of the search for meaning The new lease on life endowed by the Holy Spirit the function of imaginative ministry the communitas of true discipleship and the radical actions of Jesus ministry are just a few of the ideas explored in the quest for a new understanding of discipleship Authentic Christianity says Gittins is outreaching and encountering it communicates and ministers Christianity like its sibling Judaism does not produce complacency but complicity or participation with others These pages are an invitation to renewed discipleship and an appeal to radical Christianity in the footsteps and in the Spirit of Jesus who prayed that his followers be one in him [Art's Philosophical Work](#) Andrew Benjamin, 2015-06-03 What is the work of art How does art work as art Andrew Benjamin contends that the only way to address these questions is by developing a radically new materialist philosophy of art and by rethinking the history of art from within that perspective A materialist philosophy of art starts with the contention that meaning is only ever the after effect of the way in which

materials work Starting with the relation between history materials and work art s work this book opens up a highly original reconfiguration of the philosophy of art Benjamin undertakes a major project that seeks to develop a set of complex interarticulations between art history and an approach to art s work that emphasizes art s material presence A philosophy of art emerges from the limitations of aesthetics

A Companion to the Translation of Classical Epic Richard H. Armstrong, Alexandra Lianeri, 2025-03-10 The first volume of its kind to integrate trends in Translation Studies with Classical Reception Studies A Companion to the Translation of Classical Epic provides a comprehensive and wide ranging account of key debates and case studies centered the translation of Greek and Latin epics Rather than situating translation studies as a complementary field or an aspect of classical reception the Companion offers a systematic framework for adapting and incorporating translation studies fully into classical studies Its many chapters elaborate how translation is a central element in the epic s reception trajectories across the globe and addresses theoretical and methodological concerns arising from this conjunction The Companion does not just provide a comprehensive overview of the translation theories it covers but also offers fresh insights into theoretical and methodological issues currently at the top of the interdisciplinary agenda of scholars studying the global routes of ancient epic In its sections leading classicists translation theorists classical reception scholars and cultural historians from Europe and North and South America reconfigure questions this research faces today highlighting methods for an integrated approach It explores how this integrated perspective responds to key challenges in the study of the epic s reception emphasizing topics of temporality gender agency community target language politics and material production A special section also features detailed dialogues with active translators such as Emily Wilson Stanley Lombardo and Susanna Braund who speak extensively and frankly about their work This is a key volume for all students and scholars who want to engage with research reflecting the contemporary agenda in classical reception translation studies and the study of epic in its global literary and cultural routes

A Disturbing Presence: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. A Disturbing Presence : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. A Disturbing Presence : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
