Doctors Edward Fyfe Griffith,1951      **A Doctor's Odyssey** George Sava,1951      *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1973 First multi year cumulation covers six years 1965 70      **Transitions** S. B. Gusberg,1999-05-01 Through humor anecdotes and intelligent insights the changes in medicine and the relationship between patient and physician are outlined in a manner that is truly an important historical work *Transitions* A Doctors Odyssey is the personal journey of a well known physician that outlines break throughs in medical history and patient care      *Fittest of the Fit* Kevin Brown,2019-04-30 This WWII naval history examines the Royal Navy s health and fitness policies initiatives and innovations *Fittest of the fit* was the Royal Navy s boast about its personnel a claim based on a strict recruitment process This book examines the reality behind the motto through the difficult years of the Second World War Beginning with the medical aspects of recruitment historian Kevin Brown examines how health and fitness were maintained at sea including in the onerous extremes of Arctic and Tropical conditions Beyond physical health Brown also examines the importance of psychological factors and the maintenance of morale covering everything from entertainment to tolerance of onboard pets Inevitably the effects of battle injury and stress dominated naval medicine and wartime led to rapid changes in everything from basic preparations to protective clothing With revealing comparisons to other British services as well as US Navy practices *Fittest of the Fit* offers a unique look at life for the Royal Navy covering submariners and airmen as well as those in the surface fleet      **Kansas Studies in Education** University of Kansas,1923      *Health Care in Java* Peter Boomgaard,1996-01-01 The study of health and illness in Indonesia has long been an expanding field for scholars with a medical or social science background both in Indonesia and abroad European interest in this topic has increased considerably during recent decades The articles presented in this volume highlight the cultural political economic and social framework within which theory and practice of health care in Java operate at present and in the past      **A Doctor's Odyssey** Nessian McCann,1999      **Report of the President of the Johns Hopkins University, Baltimore, Maryland** Johns Hopkins University,1929      **The Task Force for Child Survival** William H. Foege,2018-08-15 How did coalition building give rise to the incredible achievements of the Task Force for Childhood Survival Dr Bill Foege one of the best known names in global health brings readers to the table during the creation of one of the world s most famous and successful global health efforts the Task Force for Child Survival In 1984 the US immunization program was so successful that many childhood diseases were at record lows yet 40 000 children a day were dying around the world from preventable diseases That year Dr Foege former director of the Centers for Disease Control and Prevention came together with Jonas Salk Robert McNamara and representatives from UNICEF the World Health Organization the World Bank the United Nations Development Programme and the Rockefeller Foundation to see how some of the lessons learned in America could be applied to global programs The assembled participants recommended the formation of a small task force to help UN agencies

improve immunization coverage They dubbed it the Task Force for Child Survival and installed Foege as its first leader In this book Dr Foege describes the task force from its conception through its landmark success Over its first six years as more resources were allocated to the task force immunization coverage climbed from approximately 15 percent of the world s children for some vaccines to 80 percent of the world s children for at least one vaccine UNICEF head Jim Grant called it the greatest peacetime endeavor the world had ever seen How did this small independent low profile group leverage change in the largest of global health agencies Foege dissects each element for clues as to why the task force was able to accomplish so much so quickly ultimately concluding that coalition building played a major role and explaining how to strengthen coalitions by scrupulously avoiding the turf guarding and credit seeking that are so common to international endeavors Inspiring and accessible this brief book combines the distilled advice of one of global health s major leaders with the history of an iconic public health program
