A Face in the Crowd Barry Spencer,2020-06-15 The book written by an ordinary member of the public argues that in spite of concerted efforts to derail his presidency Donald Trump through his life experience embodies many of the attributes of a great president What is so remarkable is not that he was elected against all expectations but that his presidency has proved to be so successful The media has portrayed Trump in the most negative terms possible to a degree that would have destroyed a lesser man The book demonstrates that this picture is almost entirely false Trump is president at a historic moment when the nation is polarized between radical progressives striving for fundamental change and conservatives who stand by traditional values Trump is not an ideologue but a pragmatist resisting social experimentation with the potential to be one of the greatest presidents in the history of the republic

Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a

few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasn't even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times

The Ambivalent Legacy of Elia Kazan Ron

Briley, 2016-10-28 Elia Kazan first made a name for himself on the Broadway stage directing productions of such classics as *The Skin of Our Teeth* *Death of Salesman* and *A Streetcar Named Desire* His venture to Hollywood was no less successful He won an Oscar for only his second film *Gentleman's Agreement* and his screen version of *Streetcar* has been hailed as one of the great film adaptations of a staged work But in 1952 Kazan's stature was compromised when he was called to testify before the House Un American Activities Committee HUAC Kazan's decision to name names allowed him to continue his filmmaking career but at what price to him and the Hollywood community In *The Ambivalent Legacy of Elia Kazan: The Politics of the Post HUAC Films* Ron Briley looks at the work of this unquestionable master of cinema whose testimony against former friends and associates influenced his body of work By closely examining the films Kazan helmed between 1953 and 1976 Briley suggests that the director's work during this period reflected his ongoing leftist and progressive political orientation The films scrutinized in this book include *Viva Zapata* *East of Eden* *A Face in the Crowd* *Splendor in the Grass* *America* *The Last Tycoon* and most notably *On the Waterfront* which many critics interpret as an effort to justify his HUAC testimony In 1999 Kazan was awarded an honorary Oscar that caused considerable division within the Hollywood community highlighting the lingering effects of the director's testimony The blacklist had a lasting impact on those who were named and those who did the naming and the controversy of the HUAC hearings still resonates today *The Ambivalent Legacy of Elia Kazan* will be of interest to historians of postwar America cinema scholars and movie fans who want to revisit some of the director's most significant films in a new light
