A Fairies Tale:

A Fairies' Tale Rebecca Torrellas, 2016-04-01 Roselyn a tiny rose fairy and her best friend Mona a monarch butterfly fairy live a simple life with their friends in the forest Led by a protective woodland fairy named Willow the fairies use magic to protect the animals and the forest from humans who seek to destroy it Even though fairies consider humans their enemies Roselyn secretly sneaks off to watch Paul a man who visits the seashore every day admiring him from afar When both of the lives of Roselyn and Mona are threatened and Paul is kidnapped there are only two links to each incident magic and crows the latter which are supposedly friends of fairies Forced to face Willow with her secret crush Roselyn and the fairies must rescue Paul and find out why the crows have turned against them However what seems like an easy task becomes a treacherous journey filled with surprises challenges destruction and betrayal forcing the magical fairies to become more powerful than they ever thought possible But are they prepared to handle the truths they uncover in the process **A Fairy Tale** Shanna Swendson, 2018 Once upon a time a girl named Sophie Drake danced with the fairies in the woods behind her grandparents Louisiana home But she closed the door to the fairy world and turned her back on the Fae when they tried to steal her little sister Emily Fourteen years later Sophie heads to New York City on a desperate mission Emily now an up and coming Broadway actress has gone missing Only Sophie suspects the Fae Now Sophie has her work cut out for her Emily's abduction is part of a larger plot involving the missing Queen of the fairy realm An upstart fairy is making a bid to assume control of the entire Realm unite the fairies and become master over the human world To free her sister Sophie must derail this power scheme and find the true Queen of the Realm That's a lot for a small town ballet teacher to tackle but with the unlikely aid of her sometimes flighty sister a pair of elderly shopkeepers with a secret a supremely lazy but surprisingly knowledgeable bulldog and a wounded police detective searching for his own missing person she just might prevail if she can force herself to confront her own past and face her true nature *Fairy Tales* Ruth B. Bottigheimer, 2010-03-25 2009 CHOICE Outstanding Academic Title Where did Cinderella come from Puss in Boots Rapunzel The origins of fairy tales are looked at in a new way in these highly engaging pages Conventional wisdom holds that fairy tales originated in the oral traditions of peasants and were recorded for posterity by the Brothers Grimm during the nineteenth century Ruth B Bottigheimer overturns this view in a lively account of the origins of these well loved stories Charles Perrault created Cinderella and her fairy godmother but no countrywoman whispered this tale into Perrault's ear Instead his Cinderella appeared only after he had edited it from the book of often amoral tales published by Giambattista Basile in Naples Distinguishing fairy tales from folktales and showing the influence of the medieval romance on them Bottigheimer documents how fairy tales originated as urban writing for urban readers and listeners Working backward from the Grimms to the earliest known sixteenth century fairy tales of the Italian Renaissance Bottigheimer argues for a book based history of fairy tales The first new approach to fairy tale history in decades this book answers questions about where fairy tales came from

and how they spread illuminating a narrative process long veiled by surmise and assumption

Angeline and Garrett would like to know.

Maritza Amaris Soto was born May 28, 2003 in Tulsa, Oklahoma. She grew up an only child. Her parents got divorced when she was four. Reading helped her get away from her problems. She decided to start writing short stories. This is one of them.
