*International Handbook of Love* Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that's what love does It communicates what is offers what can be and pleads for what must be I know you'll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It

illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of *The End of Love A sociology of Negative relationships* Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=VNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0>

**School Belonging in Adolescents**  
Kelly-Ann Allen, Margaret L. Kern, 2017-08-14 This book explores the concept of school belonging in adolescents from a socio ecological perspective acknowledging that young people are uniquely connected to a broad network of groups and systems within a school system Using a socio ecological framework it positions belonging as an essential aspect of psychological functioning for which schools offer unique opportunities to improve It also offers insights into the factors that influence school belonging at the student level during adolescence in educational settings Taking a socio ecological perspective and drawing from innovative research methods the book encourages researchers interested in school leadership to foster students sense of belonging by developing their qualities and by changing school systems and processes

**Design for Belonging**  
Susie Wise, Stanford d.school, 2022-04-19 A practical illustrated guide to using the tools of design to create feelings of inclusion collaboration and respect in groups of any type or size a classroom a work team an international organization from Stanford University s d school This is a beautiful book Wise has applied the gift and imagination and lenses of the d school to one of our most precious questions how to create belonging Priya Parker author of *The Art of Gathering* and host of the New York Times podcast *Together Apart* Belonging brings out the best in everyone Whether you re a parent teacher community organizer or leader of any sort your group is unlikely to thrive if the individuals don t feel welcomed included and valued for who they are The good news is that you can use design to create feelings of inclusion in your organization rituals that bring people together spaces that promote calm roles that create a sense of responsibility systems that make people feel respected and more You can t force feelings but in *Design for Belonging* author and educator Susie Wise explains how to use simple levers of design to set the stage for belonging to emerge For example add moveable furniture to a meeting space to customize for your group size switch up the role of group leader regularly to increase

visibility for everyone or create a special ritual for people joining or leaving your organization to welcome fresh perspectives and honor work well done Inspiration and stories from leaders and scholars are paired with frameworks tools and tips providing an opportunity to try on different approaches By the end of the book you ll be able to spot where a greater sense of belonging is needed and actively shape your world to cultivate it whether it s a party a high stakes meeting or a new national organization

Belonging Paul Carlo,2019-03-31 Personal connections that leave people feeling a sense of being cared about and valued with a true sense of belonging and being wanted is something most of us include when listing the kinds of things that lead to feeling happy and fulfilled Yet many of us don t have the kinds of close relationships that leave us feeling deeply cared about and understood Dr Carlo has created this book with the intention of empowering others to understand how to enrich their lives in ways that will result in their feeling more confident in their social experiences comfortable safe and loved

**Fluctuating Transnationalism** Astghik Chaloyan,2017-06-28 This book concerns various modes of being transnational among a diasporic population Armenians in Germany by drawing parallels between the first and second generation migrants It puts forth the questions as to whether or not and which kind of transactional activity ties practices survive over generations and to what extent transnational engagements influence self identification and the sense of belonging It also examines how various modes of transnationalism in turn impact the sense of belonging The book fleshes out new perspectives and interpretations of transnationalism by revealing specific aspects of border spanning ties and by showing that connections to the country of origin do not necessarily need to be sustained or intensive in order to survive They can instead fluctuate depending on various factors but still have the right to be called transnational

*Existential Crisis* Sergio Rijo,2023-04-03 As I sat in the depths of my own existential crisis I felt lost and hopeless The world around me seemed meaningless and I couldn t shake the feeling that I was just going through the motions of life It was a dark and lonely place and I didn t know how to find my way out But as I started to explore different strategies for coping with my crisis I began to see a glimmer of hope I found that by embracing my feelings and acknowledging my pain I was able to start moving forward Through therapy mindfulness practices and connecting with others who had gone through similar experiences I found the tools I needed to find renewal and purpose in my life Now I want to share those strategies with you In *Existential Crisis Strategies for Finding Hope and Renewal in Life s Darkest Moments* I dive deep into the concept of an existential crisis and provide practical tools for navigating it From exploring your values and beliefs to connecting with others and finding meaning in your struggles this book offers a roadmap for finding hope and renewal in even the darkest of moments Through my own personal experiences and the stories of others who have overcome their own existential crises I offer a message of encouragement and empowerment You are not alone in your struggle and there is a way through it By taking action and embracing the journey you can find a renewed sense of purpose and joy in life So if you re feeling lost disconnected or

overwhelmed know that there is hope This book offers a guiding light to help you find your way back to a life filled with meaning and purpose Together we can navigate the darkest of moments and emerge stronger and more resilient than ever before

Work and the Challenges of Belonging Floya Anthias, Mojca Pajnik, 2014-06-26 This book engages with migrant work in globalizing economies both in the EU and worldwide to explore the relationships between work and the complexity of migrant belonging in transnational spaces Migrant experiences related to global labour market structures are understood in the context of transnational and national policy frames that largely determine the production of migrant work as poorly paid precarious and accompanied by low status and inadequate social protection Special foci include issues of temporality circularity and precarity solidarity and belonging migrants strategies for coping with restrictive migration and economic policies and practices and patterns relating to the commodification of migrant work The book also discusses some of the analytical and political problems of migration and labour market discourses and practices particularly in relation to developments around new forms of exclusion securitization and ethnicization of migrant work Work and the Challenges of Belonging is cross disciplinary and comparative engaging with theoretical empirical and policy approaches
