Luttick, 2023-11-17 *Jairus's Daughter and the Female Body in Mark* demonstrates that ubiquitous and significant depictions of children in the literature and material culture of the first century CE shaped the mindsets of the Gospel of Mark's original audience Through a detailed analysis of the story of Jairus's daughter in Mark 5 and of the archaeological remains depicting female children Janine E Luttick reveals how ancient hearers of this story encountered an image of a female child that communicated ideas of hope to Jesus's followers and in turn how readers today can understand the authority of Jesus the

Legislative Assembly, 1916 **The Canadian Magazine** ,1920 *Female Imperialism and National Identity* Katie Pickles, 2002 Through a study of the British Empire's largest women's patriotic organisation formed in 1900 and still in existence this book examines the relationship between female imperialism and national identity It throws new light on women's involvement in imperialism on the history of conservative women's organisations on women's interventions in debates concerning citizenship and national identity and on the history of women in white settler societies After placing the IODE Imperial Order Daughters of the Empire in the context of recent scholarly work in Canadian gender imperial history and post colonial theory the book follows the IODE's history through the twentieth century Tracing the organisation into the postcolonial era where previous imperial ideas are outmoded it considers the transformation from patriotism to charity and the turn to colonisation at home in the Canadian North *The Peerage, Baronetage, and Knightage of Great Britain and Ireland for ...* Robert Phipps Dod, 1900
