The Faroe Islands Jonathan Wylie, 2021-10-21 Stranded in a stormy corner of the North Atlantic midway between Norway and Iceland the Faroe Islands are part of the unknown Western Europe a region of recent economic development and subnational peoples facing uncertain futures This book tells the remarkable story of the Faroes cultural survival since their Viking settlement in the early ninth century At first an unruly little republic the islands soon became tributary to Norway dwindled into a Danish Norwegian mercantilist fiefdom and in 1816 were made a Danish province Today however they are an internally self governing Danish dependency with a prosperous export fishery and a rich intellectual life carried out in the local language Faroese Jonathan Wylie an anthropologist who has done extensive field work in the Faroes creates here a vivid picture of everyday life and affairs of state over the centuries using sources ranging from folkloric texts to parliamentary minutes and from census data to travelers tales He argues that the Faroes long economic stagnation preserved an archaic way of life that was seriously threatened by their economic renaissance in the nineteenth century especially as this was accompanied by a closer political incorporation into Denmark The Faroese accommodated increasingly profound social change by selectively restating their literary and historical heritage Their success depended on domesticating a Danish ideology glorifying folkish ways and so claiming a nationality separate from Denmark s The book concludes by comparing the Faroes nationality without nationhood to the contrasting situations of their closest neighbors Iceland and Shetland The Faroe Islands is an important contribution to Scandinavian as well as regional and ethnic studies and to the growing literature combining the insights and techniques of anthropology and history Engagingly written and richly illustrated it will also appeal to scholars in other fields and to anyone intrigued by the lands and peoples of the North **To the King a**
