and understanding the ancient world and the people who experienced biblical events In *Stones Still Speak* Harvard trained archaeologist and theologian Amanda Hope Haley scrapes back 2 000 years of misguided cultural interpretations to reveal God s Word in its historical archaeological and literary contexts Far from a dry academic exercise this process explains how our misunderstandings developed and revitalizes the Scripture you thought you knew with the greater purpose of encouraging a more intentional rigorous study of the Bible in your daily life Religion, Politics, Media in the Broadband Era Alice Bach,2004 Religion has gone public and the much discussed political pendulum has been swinging widely in its effort to keep up with the eruptions of faith swelling the broadband Private faith finds very public outlets through the media s appetite for voices and choices Faith based networks have become media savvy urging their members to send barrages of emails faxes telephone calls letters of praise or outrage to politicians Those same politicians return the volley using the broadcast media with great skill wooing the faithful convincing the cynical that God is on their side Only a deity could be on so many sides simultaneously Alice Bach s new book reflects her long time focus on the Bible religion and culture Popular religion is expressed within our culture in rock videos televangelism political rhetoric children s books films and animations Every sort of media from print to electronic to broadband is imbued with subtle and blatant religious imagery The media are new the message is not The tightly woven pattern of religion politics and media has been part of the American fabric since the country was founded When one examines this cultural cloth threads of varying colours are revealed threads whose twists reflect both media coverage of religion and religious views of the media **Bowker's Complete Video Directory** ,2000

M. Johnson,2021-11-17 David is one of the most complex and fascinating characters in all of literature His story exists at a crucial point in the biblical narrative where God turns toward committing to monarchy in Israel He is the slayer of Goliath the hero of Israel and God s chosen king Yet he is also a manipulator adulterer and murderer This book provides a broad audience of students lay readers and scholars with a close reading of David s story presenting scholarly study of this fascinating and crucial character in an accessible and engaging manner By carefully presenting David s story this book addresses how it is possible to consider a flawed and imperfect character like David as a man after God s own heart *Jonah, a VeggieTales Movie* Cindy Kenney,2002 Describes how Phil Vischer and Mike Nawrocki s desire to create a children s show with Sunday morning values Saturday morning fun led to the making of the feature length film about the prophet Jonah Includes conceptual drawings stills from the film and a storybook adaption of the film
