Watt,2003-10-14 In England where he spent ten seasons leading his storied club Manchester United and his nation to soccer glory he is so wildly popular that his countrymen voted him the face they'd most want to see imprinted on their money  
Winston Churchill finished second In Japan where he is worshiped as much for his headline making fashion trends as for his ability to bend a ball around a wall of defenders women styled their bikini waxes after the blond mohawk he sported during the 2002 World Cup And in Spain within days of his 41 million trade to Real Madrid his new team received two million requests to buy his number 23 jersey The legend of David Beckham soccer god global sex symbol style icon has been celebrated around the world arguably more than Tiger Woods and Michael Jordan combined Now with the publication of his long awaited autobiography the man who inspired the surprise hit movie Bend It Like Beckham is set to conquer the last remaining outpost where soccer is not a national religion the United States Beckham is a classic rags to riches saga a boy David is born to a poor East End London family He develops prodigious soccer skills and his parents nurture him until he becomes one of the most gifted athletes of his generation He grows up to marry Victoria a Spice Girl Posh and enters a celebrity whirlwind of Princess Diana esque proportions Together the Beckhams are Britain's new royal couple their 240 acre estate outside of London is known as Beckingham Palace and their presence at parties or charity events guarantees endless tabloid stories and photos as well as adoring mobs that must be restrained by police barricades Their life is as much a study in managing fame as it is in sports and pop phenomena In Beckham he talks candidly about the pressures of celebrity his wife and sons were the targets of a 2002 kidnapping plot how he balances his roles as a devoted husband and besotted father with his globetrotting existence as an international soccer player the behind the scenes stories of his most memorable career moments such as the penalty kick against archrival Argentina in the World Cup that redeemed him to a nation who blamed him for their failure in the previous World Cup the controversy surrounding his move to Real Madrid and the falling out with the man who shaped his career Manchester United's famously combative manager Sir Alex Ferguson and finally his love of America his first son was conceived in and named Brooklyn where like the great Pel David can imagine playing out his final seasons So much has been written about David Beckham that it's easy to think we know everything about the world's most famous athlete but only Beckham himself can set the record straight on his beliefs his dreams his loves his fears and above all his sense of who he is Beckham is an intimate account of an extraordinary life a life in which against all odds he has managed to keep both feet on the ground
