## **David Ben Gurion:**

Ben-Gurion Anita Shapira, 2014-11-25 David Ben Gurion cast a great shadow during his lifetime and his legacy continues to be sharply debated to this day There have been many books written about the life and accomplishments of the Zionist icon and founder of modern Israel but this new biography by eminent Israeli historian Anita Shapira strives to get to the core of the complex man who would become the face of the new Jewish nation Shapira tells the Ben Gurion story anew focusing especially on the period after 1948 during the first years of statehood As a result of her extensive research and singular access to Ben Gurion s personal archives the author provides fascinating and original insights into his personal qualities and those that defined his political leadership As Shapira writes Ben Gurion liked to argue that history is made by the masses not individuals But just as Lenin brought the Bolshevik Revolution into the world and Churchill delivered a fighting Britain so with Ben Gurion and the Jewish state He knew how to create and exploit the circumstances that made its birth possible Shapira s portrait reveals the flesh and blood man who more than anyone else realized the Israeli state *Ben-Gurion* Shabtai Tevet, 1987 Born David Joseph Gruen in the Polish provinces of czarist Russia David Ben Gurion became a founding father of Israel and its first prime minister This volume traces his life from his birth in 1886 to Israel s in 1948 40 photos

**A State at Any Cost** Tom Segev, 2019-09-24 2019 National Jewish Book Award Finalist A fascinating biography a masterly portrait of a titanic yet unfulfilled man this is a gripping study of power and the loneliness of power *The Economist* As the founder of Israel David Ben Gurion long ago secured his reputation as a leading figure of the twentieth century Determined from an early age to create a Jewish state he thereupon took control of the Zionist movement declared Israel s independence and navigated his country through wars controversies and remarkable achievements And yet Ben Gurion remains an enigma he could be driven and imperious or quizzical and confounding In this definitive biography Israel s leading journalist historian Tom Segev uses large amounts of previously unreleased archival material to give an original nuanced account transcending the myths and legends that have accreted around the man Segev s probing biography ranges from the villages of Poland to Manhattan libraries London hotels and the hills of Palestine and shows us Ben Gurion s relentless activity across six decades Along the way Segev reveals for the first time Ben Gurion s secret negotiations with the British on the eve of Israel s independence his willingness to countenance the forced transfer of Arab neighbors his relative indifference to Jerusalem and his occasional nutty moments from UFO sightings to plans for Israel to acquire territory in South America Segev also reveals that Ben Gurion first heard about the Holocaust from a Palestinian Arab acquaintance and explores his tempestuous private life including the testimony of four former lovers The result is a full and startling portrait of a man who sought a state at any cost at times through risk taking violence and unpredictability and at other times through compromise moderation and reason Segev s Ben Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill a twentieth century leader whose iron will and complex temperament left a

complex and contentious legacy that we still reckon with today [David Ben-Gurion](#) John J. Vail,1987 Surveys the life and career of the first prime minister of Israel *David Ben-Gurion and the Jewish Renaissance* Shlomo Aronson,2010-11-01 This book offers a reappraisal of David Ben Gurion s role in Jewish Israeli history from the perspective of the twenty first century in the larger context of the Zionist renaissance of which he was a major and unique exponent Some have described Ben Gurion s Zionism as a dream that has gone sour or a utopia doomed to be unfulfilled Now after the dust surrounding Israel s founding father has settled archives have been opened and perspective has been gained since Ben Gurion s downfall this book presents a fresh look at this statesman intellectual and his success and tragic failures during a unique period of time that he and his peers described as the Jewish renaissance The resulting reappraisal offers a new analysis of Ben Gurion s actual role as a major player in Israeli Middle Eastern and global politics **David Ben-Gurion and the American Alignment for a Jewish State** Allon Gal,1991 This book traces the evolution of the demand for a Jewish state into a central and specific aim of Zionist policy and the interrelated process by which Ben Gurion became increasingly oriented toward the United States and American Jewry at the expense of Zionism s historical connection with Great Britain Based on new documentary evidence Allon Gal s study charts Ben Gurion s ascent from the leadership of the Yishuv the Jewish community in Palestine to prominence in world Zionist and international diplomacy *David Ben Gurion* Israel M. Biderman,2013-01 **Ben-Gurion** Shim'on Peres,2011 A revelatory portrait of Israel s first prime minister written by its current president includes coverage of his support of the United Nations 1947 Partition Plan for Palestine his granting of first exemptions to Orthodox military servicepeople and his peaceful overtures toward post Holocaust Germany [Israel David Ben-Gurion](#),1971 This book provides one man s view of the Jewish people from their appearance on the stage of history through 1970 with focus on the 20th century and Ben Gurion s role in shaping the events [From King David to David Ben-gurion](#) Shlomo Gabbay,2015-11-24 David Ben Gurion declared Israel a state on May 15 1948 With only 600 000 Jews in the area and surrounded by hostility on all sides most of the world believed Israel would not last But last it did And Ben Gurion became the first prime minister of the tiny Jewish nation calling Jews from around the world to come home Dr Shlomo Gabbay heeded Ben Gurion s call Leaving Morocco at age eleven he completed his schooling there and eventually served in two wars Gabbay s participation in the forging of Israel and his scholarship of both biblical history and Middle Eastern foreign relations prompted him to investigate Ben Gurion s accomplishments The author demonstrates how and why Ben Gurion was superior to his contemporaries on the world stage managing to draw parallels between the prime minister and King David and ultimately proclaiming Ben Gurion a modern day prophet of Israel Gabbay then turns his analysis to current relations offering a vision for Israel s future that picks up where Ben Gurion left off He believes that a shift in American diplomacy in the Middle East can help nudge Israel into an alliance with many of its neighbors an alliance that will successfully curb Iranian aggression and eventually lead to lasting peace [David Ben Gurion, the first Prime Minister](#) □□□

Ben-Gurion Avi Shilon, 2016 This is the first in depth account of the later years of David Ben Gurion 1886-1973 Israel's first Prime Minister and founding father One of the first to sign Israel's declaration of independence and a leading figure in Zionism Ben Gurion stepped down from office in 1963 and retired from political life in 1970 deeply disappointed about the path on which the state had embarked and the process that brought about the end of his political career He moved to a kibbutz in the Negev desert where he lived until his death Robbed of the public aura that had wrapped him for decades his revolutionary passion which was not weakened in his 80s pushed him to continue seeking social and moral change in Israel a political solution to the Israeli Arab conflict and to conduct a personal and national soul searching about the development of the State he himself had declared Based on his personal archives and new interviews with his intimate friends and family the book reveals how the founding father explored the Israeli establishment he created and from which he later disengaged It
