David Hare:

David Hare Finlay Donesky, 1996-11-25 In the last 30 years David Hare has written 12 stage plays seven screenplays and one opera and has gained international attention as one of Britain's major contemporary playwrights Hare's prominence springs not only from the sheer volume of his work but from his long career of chronicling the social and political fragmentation in postwar Britain This is the first work to demystify the implications of Hare's presentation of the moral and political health of the British nation Arguing that one needs to have a deeply informed sense of English and British identity and postwar British society in order to understand Hare's work Donesky thoroughly contextualizes and historicizes Hare's work This study demonstrates how Hare's seemingly enigmatic moral vision is actually characteristic of the attitudes of Britain's governing classes **A Study Guide for David Hare's "The Secret Rapture"** Gale, Cengage Learning, 2016 A Study Guide for David Hare's *The Secret Rapture* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs *Asking Around* David Hare, 2014-10-23 David Hare's trilogy of plays *Racing Demon* *Murmuring Judges* *The Absence of War* first presented at the National Theatre London in 1993 examines the crises facing three great British institutions the Church the Law and the Labour Party In order to learn about these organisations Hare amassed a body of hard research from first hand interviews with many of the people involved from vicars to high ranking policemen from judges to MPs *Asking Around* presents a judicious selection of those interviews and also includes a commentary by Hare describing how he threaded his way through the complex structures of Church Law and Politics **A Study Guide for David Hare's "Plenty"** Gale, Cengage Learning, A Study Guide for David Hare's *Plenty* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs **A Study Guide for David Hare's "The Blue Room"** Gale, Cengage Learning, A Study Guide for David Hare's *The Blue Room* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs *The Calendar* University of Calcutta, 1912 *The Collegian and Progress of India*, 1912 Plenty David Hare, 1985-10 *David Hare* Judy Lee Oliva, 1990 A comprehensive examination of British playwright director David Hare's work in the past decades Included are textual analyses of over twenty plays television scripts and feature films addressing both literary and performance issues The texts are explored in relation to content form and style and how each of these components work together or alone to produce Hare's sociopolitical critique Illustrated with photographs from productions directed by Hare Annotation copyrighted by Book News Inc Portland OR **David Hare Plays 3** David
