Dawn, Dusk and Deer Arthur Cadman,1966      **Dawn, Dusk and Deer** Emmitt J. Nelson,2000-02-01 Dawn Dusk and Deer is about memories Fond memories It is my belief that one of the principal things gained from deer hunting is the host of great memories that one can visit at will year after year All one has to do to get into a very enjoyable conversation is find another deer hunter to share memories with True deer hunters not only love to hunt deer but they also love to tell about and hear others tell about hunting deer Deer hunting is patriotic sport The Native Americans were here and hunting deer when Europeans arrived The settlers then hunted deer until they were almost extinct in many parts of America With conservation they have recovered in population And many Americans still practice the sport of their ancestors I do And I like to hear the stories of other hunters and to tell the stories that came to me on my deer hunting trail The story recorded here is not so much about harvesting of deer for food but about the many experiences that come along on the deer trail Some good and some bad      *Dawn, Dusk and Deer* W.
