Living an Inspired Life Wayne W. Dyer, 2016-03
SELF HELP PERSONAL DEVELOPMENT
Inspiration is for everyone. It isn't reserved for high-profile creative geniuses in the arts and sciences; it's our Divine birthright. In *Living an Inspired Life*, previously published under the title *Inspiration*, Dr. Wayne W. Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all-knowing place of spirit, we choose our physical body, our parents, and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source, and now here on earth, if we can reconnect to that Source energy, it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living in spirit.

Happiness Is the Way Wayne W. Dyer, 2019
Dr. Wayne Dyer was affectionately known as the father of motivation by his fans. This book, which draws on his audio lectures from the 90s and 00s, offers Wayne's long-term fans the chance to rediscover some of his inspirational talks and for his younger followers to read his classic teachings. One of Dr. Wayne Dyer's favourite quotes was, "When you change the way you look at things, the things you look at change." In this collection of his classic teachings, published for the first time in writing, readers will find a novel solution for any problem they may encounter at this time. As Wayne liked to say, "There is no way to happiness. Happiness is the way."

Excuses Begone! Wayne W. Dyer, 2009
Dr. Dyer reveals how to change the self-defeating thinking patterns that have prevented people from living at the highest levels of success, happiness, and health.

The Shift Wayne W. Dyer, 2010-06
As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon and evening, where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. The Shift doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda.
