Conservative Chic Amelia Fatt, 1983 **Catalog** Sears, Roebuck and Company, 1930 **Secular Bodies, Affects and Emotions** Monique Scheer, Nadia Fadil, Birgitte Schepelern Johansen, 2019-01-10 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Taking its cue from the study of lived religion *Secular Bodies Affects and Emotions* shows how the idea of a secular public is equally marked by a display and cultivation of affect and emotions Whereas it is widely agreed that religion is often saturated by emotion the secular is usually treated as a neutral background serving as the domain of public rational deliberation This book demonstrates that secularity and secularism are also upheld by bodily practices and emotional attachments Drawing on empirical case studies this is the first book to ask and explore whether a secular body exists Building on the work of Talal Asad the book argues that the secular is not an absence of religion but a positive entity that comes about through its constitutive relationship with religion And once we attune ourselves to recognizing its operations as grammar which structures social practice writing an anthropology of the secular could become a new possibility **American Refugees** Roger L. Simon, 2024-01-09 [The Oxford Handbook of U.S. Women's Social Movement Activism](#) Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women's activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women's Social Activism over time from the women's suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women's participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement [New Women's Dress for Success](#) John T.
