

# Which Car Brands Make the Best Vehicles?

We ranked 32 brands based on the Overall Scores of their models, which include road tests, reliability, satisfaction, and safety

By Jeff S. Bortolin and Anita Lam  
February 16, 2023

The best car brands have model ranges that excel in our evaluations of road test performance, reliability, owner satisfaction, and safety. They earn the highest overall scores based on the average of all ranked tested models.

BMW, Volvo, Lexus, and Honda routinely lead the way in our evaluations of road test scores, but their top models in their high-end vehicles. BMW captured the top spot this year thanks to especially strong road test performance and solid owner review results.

Volvo leads the league in our safety tests, while Honda is recognized for its reliability. Subaru finished in place in the strength of reliability and owner review scores. The Chrysler Group's models were dropped from the list because average reliability of the manufacturer's models, based on the quality, the Chrysler and Dodge's significant year-over-year decline.

The rankings can be helpful in choosing by highlighting brands that deliver the most and those that should be approached with more caution. The brands that lead in the list do not mean that the road will lead you to the road and you will enjoy with reliability. This list will offer good service and consistently across their model range, and buyers should be sure.

To be included in the brand ranking, a car must have passed at least two road test models from a brand like, Acura, Acura, Acura, Acura, and Acura aren't included in our rankings this year for the year.

**How We Rank the Car Brands**

The overall score is calculated as follows based on four key factors: the road test, reliability, owner satisfaction, and safety.

For the road test score, we use relative through score that 30 tests and evaluations.

**Reliability** ratings are based on problems reported by owners in 12 months across 100,000 miles for the year.

**Owner satisfaction** predictions are based on whether 100,000 miles or more of the best day to the next vehicle again if given the choice.

**Safety** predictions are based on 100,000 miles or more of the best day to the next vehicle again if given the choice.

**Overall** ratings are based on 100,000 miles or more of the best day to the next vehicle again if given the choice.
